Venice school looks like heater again

A proposal for an increase of 80 cents per \$100 assessed valuation in the educational fund tax rate of Venice School District was defeated for the

second time Saturday—by the slim margin of 39 votes. School officials said another effort to obtain referendum approval of the 80-cent increase

will be made, probably in January. Adoption of the rate increase is the only alternative to financial bankruptcy by the end of the current school year—a factor that could lead to merger of the Venice District with another school district, according to Leo Davinroy, president of the Venice Board of Education.

Voters in two precincts—one in the Park district recreational hall and the other in Eagle Park Acres east—a total of 462 votes, or 124 more votes than were cast last June 30 in a referendum on a proposition to raise the educational fund rate by \$1.20. All of the increase in voting was in the recreational center poll where balloting was by residents living within the boundaries of the city of Venice. Saturday's vote at the

recreational center polling place was 174 yes votes, 222 no votes and 18 spoiled ballots, for a total vote of 414.

At the Eagle Park polling place in the Eagle Park Improvement Association hall, 100 Hill St., the vote was 37 in favor, 18 against and three spoiled ballots for a total vote of 58. During the June 30 balloting, the \$1.20 rate proposal at the recreational center poll was defeated by a vote of 201 against to 18 in favor, with nine spoiled ballots, for a total vote of 209. At the Eagle Park poll, the June 30 vote was 38 against and five in favor, with 17 spoiled ballots, for a total vote of 60. Thus the vote Saturday at Eagle Park carried the proposition by 19 votes, in

Holiday 'tree of lights' fund total growing

The symbolic "Tree of Lights" in Civic Park is glowing today with 280 bulbs, representing a total of \$7,000 in contributions to the Salvation Army's annual fund-raising drive to aid local needy families at Christmas time.

A minimum goal of \$13,500 must be reached to provide Christmas assistance to those in need, Ralph Astorian, general chairman of the 1973 campaign, said today.

Close to 500 families have applied for food baskets and many others will benefit from the "Tree of Lights" fund, which also furnishes clothing to deprived children and toys for tiny tots.

At Christmastime, the Salvation Army also delivers gifts to hospitalized servicemen and lonely patients in nursing homes, together with numerous other programs bringing help to those in need.

About 130 senior citizens were entertained last week by the Salvation Army at the traditional Golden Age Christmas dinner party.

A ham dinner was served at St. Peter Evangelical United Church of Christ due to space limitations at the Citadel, Mrs. Ronald J. Kerley, said.

Homemade cookies prepared by the Salvation Army Home League and gifts were presented the senior citizens. A musical interlude was given by Misses Theresa and Beverly Rutter and Mrs. Maxine Rutter read a Christmas poem "Auntie and Willie's Prayer."

Captain Ronald J. Kerley, Salvation Army commander, addressed the assembly and gave the devotion.

Donations may be mailed to the Salvation Army, 1000 S. Office Box 338, Granite City, Ill. 62043.

Donors, whose gift of \$25 or more illuminates a bulb on the Tree of Lights, include: Glik's Department Stores; L. B. Weaver; E. H. Miller & Co.; A. O. Supermarkets study reduction of power

By VALERIE EYENDEN
Press-Record Staff Writer

In response to the present energy crisis, local supermarket firms are taking positive steps to conserve energy and are planning further actions to eliminate unnecessary usage of electrical power and gasoline.

Avery Schermer, president of Schermer Bros. Super market, 12th Street and Madison Avenue, invited representatives of all local grocery chain stores and independent markets to meet Friday to discuss power conservation.

He asked the group to meet to pool knowledge of power conservation methods; and, "as an industry, to respond as good citizens of the community to the present situation."

FIREHOUSE DESIGN for new station to be built by Granite City at Richmond Avenue and Johnson road features a cottage-type construction intended to enhance the appearance of the neighborhood while at

the same time offering greatly increased fire protection. Land for the new station was acquired by the city last week. Construction cost is estimated at \$100,000. Work is expected to begin in early spring.

College decision final

The Quad-City area will be assigned permanently to the Belleville Area College district, adhering to a tentative plan of the Illinois Community College Board, Quad-Cityans have been advised.

The decision is to be taken by the ICCB on Dec. 14. The effective date is to be July 1, 1974.

Announcement of the state decision was made at the

December Quad-City prayer breakfast meeting, held last week at Charlie's restaurant. It also was announced at the breakfast that progress is being made in setting up a referral service through which local residents will be able to call to obtain names of medical doctors currently accepting new patients. The starting date of the referral service has not yet been set.

In the college report, it was noted that Dr. Fred L. Wellman, ICCB executive secretary, has voiced regret that a local petition for an election to create a new college district could not be approved.

He added, "We wish to assure you that the interest of the ICCB and its staff was and is the same as yours—to provide the Tri-Cities area with the best possible community college service at the most reasonable cost to the area."

"We trust that the decision will not be the end of our dialogue on the college needs of the Tri-Cities and the larger area," he said.

"The ICCB and its staff takes as its responsibility to assist wherever possible in assuring that the community college needs of every area in the state are met in the best possible manner. We stand ready to assist you in the future whenever we can."

Filing today News notes

Opposition in the Democratic primary election for county superintendent of the educational service region was assured today with the filing of petitions of candidacy by Vasil Eftimoff of Granite City and Harold Eugene Briggs of Nameoki Township.

The filing period for the March 19 primary opened today at the office of County Clerk Eulalia Hotz at Edwardsville.

Filing will continue through next Monday.

Briggs has been assistant for many years to Wilbur Trimpe, region superintendent, who in November assumed his duties

as president of Lewis and Clark Junior College and will not seek re-election.

Effort is administrative assistant-pupil personnel of the Granite City School District.

Only other candidates filing petitions this morning at the county clerk's office were in-candidates for County Treasurer George Musso and incumbent Sheriff John Meares.

Alton Mayor Paul Lenz said Thursday a large Alton riverfront commercial harbor extending from the Clark Bridge south to near the site of a proposed new dam has received tentative Engineer Corps approval.

Illinois unemployment declined from 3.6 per cent to 3.3 per cent in October, with the St. Louis metropolitan area figure dropping from 5.8 to 5.5 per cent. Nationally, the October total was 4.5 per cent. A later S. S. jobless figure, 4.7 per cent for November, was attributed to the initial impact of the fuel shortage.

Firehouse to improve protection

Construction of a new Granite City fire station at Richmond Avenue and Johnson Road will permit more efficient fire protection for the neighborhood.

Primary importance of the new location will be to take the fire station off heavily traveled Nameoki Road which now delays the entrance of fire trucks into that highway, particularly during rush hour period. This condition also creates a high accident

city last week at a cost of \$12,000 because of several distinct advantages it has over other potential sites considered by the city, the fire chief commented.

Pet monkey gives owners a problem

A pet monkey named "Bright Eyes," belonging to Paul Adams and Debbie Phelps, jumped out of the Adam's car and climbed a tree near 1032 Sixth street at 7:30 a.m. Sunday.

It took until noon, and several unsuccessful attempts to reach the monkey, before Brad Robbins managed to reach the pet by climbing the tree and bringing "Bright Eyes" down to earth.

The monkey got its name from one of the characters in the movie "Planet of the Apes."

contract its defeat by 33 votes in the June election.

In the recreational hall voting, Saturday's vote defeated the proposition by 36 votes, while the \$1.20 proposition was defeated in June by 113 votes.

The school district faces a deficit of \$450,000 to \$500,000 by the end of the current year. An increase in the educational fund rate is the only means of meeting the shortage, Davinroy said.

The board president expressed disappointment over Saturday's result.

"We will run it (the referendum) again, probably in January," he said.

While there were suggestions that the rate proposal be reduced again to 40 cents, Davinroy said "There is no use cutting it down any further. Someone asked me about that, seeking a 40-cent increase, instead of 80 cents, but I told them what's the use of doing that. We'd be asking for a 40-cent increase every year."

Levee trustee indicted

Romel Wilbon of East St. Louis, outgoing president of the East Side Levee and Sanitary District board of trustees, has been indicted by a St. Clair County grand jury on charges of official misconduct in office.

The two-count indictment alleges that Wilbon made payments to two levee district attorneys without the claims first having been approved by other board members.
Wilbon predicted his indictment last week as a meeting in which Jack Scoville, National City, was elected president of the levee board to succeed Wilbon, who has served for the past year.

Discovers bar of radioactive metal

Lawrence A. Palke, owner of the Madison Iron and Metal Co., 1400 Sixth St., said today he still is awaiting word from the Illinois Department of Public Health as to the texture and possible disposition of a small bar of radioactive metal that was brought to his yards along with other scrap metal.

Palke learned the metal was a type used to shield nuclear reactors and highly radioactive atomic waste. He sent it to a St. Louis radiochemist for identification. The metal is controlled by the Atomic Energy Commission and not available to the general public.

"It was such a small amount of metal I paid little attention to it until I tried to identify it, Palke said. The health department informed him there is no danger from the metal.

Diver hurt off Chouteau Island

Diving operations to recover stolen and abandoned cars from the water off Chouteau Island were suspended Friday after a diver from Collinsville was injured. Recovery work is expected to resume tomorrow.

Three more automobiles were recovered Thursday from the Mississippi River, but Friday, John Grams, a Southern Illinois University at Edwardsville student, suffered a sprained hip when a piece of timber fell on him under water.

He was pulled from the water after giving a distress signal to attendants on the shore. He was taken to St. Elizabeth Hospital where he remained a patient today.

Long haired man holds up store

A total of \$215 cash was taken by an armed holdup man at 6:15 p.m. Saturday from Gaskie Confectionery, 1820 Fifth St. Madison, Mrs. Darlene Gaskie reported.

The robber displayed a pistol with white handles, Mrs. Gaskie said. The man was white with shoulder-length brown hair, five feet, seven inches tall and about 36 years old. He was attired in a grey flannel shirt, rain coat, blue jeans and a white knit hat with a bill.

He last was seen walking west along Fifth Street, police were told.

WILLOW LANE BURGLARY

Burglars stole a television, a clock and radio and a vacuum pump from the home of Ruth Farham, 4909 Willow Lane, it was reported Thursday. Entry was gained by forcing the latch on the front door.

Energy crisis dictates school practices change

By VALERIE EVENDEN
Press-Record Staff Writer
Necessary and effective means to decrease energy consumption during cold weather, as approved by the Illinois Office of Public Instruction, were reviewed last week by the Venice Board of Education.

A contingency plan based on the energy conservation strategy proposed by State Superintendent of Schools Michael J. Bakalis and Dr. J. Robert Sampson, coordinator of the Energy Planning Committee, is being formulated and recommendations will be offered to the Venice School Board at its Dec. 17 meeting, according to Venice Supt. of Schools John O. Pier.

Noting that the winter of 1973-74 will be a difficult one for many schools, the state superintendent commented in a letter to the board, "As supplies of fuels run short there may be some closings, hopefully, the number will be small."

"It is essential for all buildings to begin reducing their demand for energy and the lessons of energy conservation must be explained well and practiced sincerely."

"We are entering a very critical period in terms of energy supply and demand. All efforts to create an 'esprit de corps' among the members

of the school community should be made. Enlist the help of staff and students to point out additional areas for conserving energy."

"If you are unable to obtain additional fuel oil, consider dismissing school and lowering the temperature to 65-68 degrees. Do not wait until your supply is depleted to take this action."

"Should you require a complete shut down due to lack of heat, it will be necessary to contact a local heating contractor to assist you in the steps necessary to prevent freezing of boilers, water heaters, etc." "While home fires may decrease our level of comfort, it is important for all of us to cooperate in this effort," the state superintendent continued. "I hope you will encourage the cooperation of your staff and students immediately to the assistance we can lessen the burden through the coming months."

An "Illinois Fuel Hot Line" has been established to permit school authorities in local communities to report problems immediately to the state school agency, it was learned.

Guidelines proposed by the state Energy Planning Committee cover four principal areas—heating,

lighting, transportation and classroom conservation.

Maintaining appropriate comfort levels in school buildings accounts for a major portion of energy consumed.

However, much of the energy expended is wasted through improper maintenance and careless practices, the strategy plan notes.

Among the proposed steps to be initiated immediately in an attempt to eliminate heating waste are:

Request all occupants wear warm clothing and lower the normal building temperature to 68 degrees in occupied classrooms and locker rooms; 65 degrees in gymnasiums; 60 degrees in rest rooms and other infrequently occupied areas; 65 degrees in industrial arts and auto mechanics and 70 degrees in swimming pool rooms.

Reduce to a minimum all outside air intake and exhaust by lowering settings on air handling equipment; and a regularly scheduled maintenance program for the heating system, including replacing, cleaning, insulating and lubricating various sections of the heating unit.

Maintaining good furnace combustion efficiency, utilizing good maintenance procedures, weather stripping all doors and recalcu- lating all windows; insulating and sealing all unnecessary use of windows and doors.

Use hot water sparingly; consider use of humidifier to increase comfort level at lower temperatures; eliminate non-essential night time use of all buildings and develop and utilize a power consumption chart in order to discover areas for further reduction in the energy demand.

Many school buildings are grossly overlit, the state superintendent's guidelines noted. Since lighting is an extremely important factor in overall energy consumption, it is necessary to reduce this demand.

Lighting recommendations include:

Reducing overall lighting by 20 per cent. Rest room, corridor and entrance lighting should be reduced by 25 per cent and all non-essential lights, such as floodlights, displays and those in unoccupied rooms should be turned off.

Large rooms should be served by more than one switch and natural lighting should substitute for artificial lighting wherever possible. Fluorescent lights are four times as efficient as incandescent lights and should not be replaced by an equal amount of incandescent lighting.

About 23 per cent of total energy is consumed by transportation, the guidelines stated. This year school districts will demand more than 14 million gallons of gasoline and diesel fuel to transport students to and from school.

Gasoline rationing will decrease the accessibility of fuel for everyone, therefore, the following practices are strongly recommended for immediate attention:

Reduce speeds to 50 mph maximum, accelerate smoothly and ease into a stop. Do not allow the engine to idle longer than three minutes.

Resist idling or warm-up time in minutes, then drive slowly for the first half-mile. Maintain peak performance with regular maintenance—a faulty ignition system can

JURISDICTIONAL QUESTIONS concerning responsibilities during disturbances in Granite City schools were discussed during a meeting last week of school administrators and law enforcement personnel at the school board office. Thirty-five school administrators attended to ask questions of

representatives from the state's attorney's office, circuit court juvenile division, sheriff's department, Coordinated Youth Services, the public defender's office and area law enforcement agencies. Granite City Chief of Police Ronald Veizer is in center foreground. (Press-Record Photo)

State tax cut gone but not forgotten

By RAY SERATI
Press-Record

On Oct. 15 both Gov. Daniel Walker, a Democrat, and Republican party legislative leaders maintained that tax relief was still paramount in the taxpayers' minds as well as their own and that they would strive to pass meaningful legislation to meet this end.

The fall session of the 78th General Assembly has come and gone and tax relief was told it would have to wait until next year.

The taxpayer may still get some type of a cut in taxes, assuming the matter does not become involved in politics, but any such relief is months distant.

The taxpayer may take some consolation in the fact that next year is an election year and legislators may just be stepping all over themselves to give

reduce gasoline mileage by 25 per cent. Critically review bus routes and consider shortening and consolidating wherever possible. Eliminate as much stop-start driving as possible and encourage central pickup points for city passengers.

Eliminate student and faculty driven cars without extra passengers and strongly urge the formation of car pools and use of mass transit systems.

Eliminate extra buses carrying fans to athletic contests and critically evaluate extra-long trips for athletic events. Eliminate all field trips and curtail behind-the-wheel driver training sessions to a minimum.

Various classroom activities which make demands upon the total energy consumed by the school may have to be eliminated or curtailed.

Raise the temperature settings in all refrigerators and freezers and eliminate continual opening and closing of the appliances. Eliminate the use of refrigerators in laboratory areas which do not constitute an essential practice.

Do not block air circulation behind refrigeration units nor allow frost to accumulate which drastically reduces operating efficiency. Check for air tightness on freezer appliances.

Cooking ranges should be used properly and a numerous small electrical appliances or prolonged use of electrical gadgetry in experimental laboratories should be discouraged.

Avoid prolonged use of bunsen burners and gas stoves in laboratories and continual use of fume hoods unless the exhaust is absolutely essential and not used as an air circulator.

Local school officials were urged to maintain a constant awareness of the day-to-day developments in the fuel availability in their own community, and communicate with fuel suppliers, neighboring districts and local governmental agencies for signs of potential trouble.

something to the people back home.

All of the 177 House members will be up for reelection. State representatives must face the electorate every two years.

In the Senate, only a portion of the 59 seats are up for election. In all, 20 senators will be running next year. Filing of nominating petitions for these legislative seats opens today.

As the fall session got under way, Gov. Walker proposed that everyone be given a \$10 rebate to partially offset the regressive sales tax on food and medicine.

The larger the family, the larger the check.

He said that, under his plan, all of the tax relief would go to the people—and only to the people.

Republicans, who control both houses of the Assembly, proposed to cut the state's portion of the sales tax by a half-cent.

Presently, the state's share of the sales tax is four cents while city and county governments receive the remaining penny, for a total sales tax of five cents.

In the Illinois Senate, Republicans stood shoulder to shoulder and passed their half-cent cut. Also under the proposal, the half-cent could have been reimposed in the northeast six-county Regional Transit Authority area.

Republicans pointed out there would have to be no new taxes for the RTA. The half-cent cut went to the House, but it was

never heard from again.

What happened to Walker's proposed \$10 rebate to everyone? It never even saw the light of day outside of legislative committees. It was stopped before it even got started.

The half-cent sales tax cut had been approved in the spring session. But Walker, using his amendatory veto, inserted his \$10 rebate plan. This move also met legislative disapproval.

The House did take some action on sales tax relief.

The House sent to the Senate a bill sponsored by Rep. Eugene Schlickman, R-Arlington Heights. It would exempt drugs and medical supplies from the state sales tax.

The House approved a companion measure which hiked the state income tax exemption up to \$1,300.

Both of these bills were safely lodged in the Senate when the lawmakers went home in early December.

What happened to the ever-important issue of tax relief for Illinoisans?

It was decided during a summit meeting on the RTA to let tax relief stand until the session next year.

It was felt that such a program should not become embroiled in trying to hammer out a program for mass transportation for the population-heavy northeast area.

So the big push will be on next year—an election year. As a

matter of fact it might even come before the March 19 primary election. At least theoretically, the General Assembly could act when it returns for a brief time in January. But most view this as highly unlikely.

MR. AND MRS. PHILLIP WRIGHT. They were married at Eden United Church of Christ in Edwardsville. She is the former Miss Kara Mae Ohm, a daughter of Mr. and Mrs. Leonard W. Ohm of Edwardsville.

Kara Mae Ohm becomes Mrs. Phillip Wright

Kara Mae Ohm and Phillip Martin Wright were united in marriage at 6 p.m. on Nov. 10 at Eden United Church of Christ in Edwardsville. The Rev. Paul Rahmeier performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Leonard W. Ohm of Edwardsville. The groom is the son of Mr. and Mrs. Harold Wright, 731 Twenty-eighth St.

Mrs. Maria Hanson of Kansas City served as her sister's matron of honor. Other bridesmaids were Miss Sandra Falkenberg of Marissa and Miss Erna Bolmeier of Lenzburg.

Both are cousins of the bride. Harold Wright of Granite City was the groom's best man. Groomsmen were Gary Wright, another brother, also of Granite City, and Nicholas Baxter of Bland, Mo.

Guests were seated by Clair Hanson, brother-in-law of the bride, and Jim Melton. Rice was distributed by Tammy Wright, the groom's niece, and Barry Sommer, the bride's cousin.

Escorted to the altar by her father, the bride wore a gown of candlelight Luteson. It featured a natural waist, Victorian neckline and long sleeves. Venise lace trimmed the gown and the elbow length and cathedral length veils. Lace appliques etched with pearls and crystals accented the skirt and the chapel length train.

She carried a classical cascade of white carnations, white roses, baby breath and ferns.

The bridesmaids wore matching gowns featuring green velvet skirts, Victorian bodices and full-length print bodices. The gowns were made with Empire waists, Victorian

necklines and long sleeves. Green velvet buttons enhanced the front of the bodices.

They wore green picture hats with green velvet streamers, and carried colorful bouquets of yellow roses, bronze poinsettias, pumpkin tinted carnations, baby breath and ferns.

All of the gowns were designed by the bride and made by her mother.

Music was provided by Mrs. Ruth Kassins, at the organ, and Karlyn Klopmeier, soloist.

A reception and dance were held following the ceremony at the Sunset Hill Holiday Inn. Colleen Wright presided at the guest book and the bridesmaids were Doris Falkenberg, Debra Brause, Mary Madene and Dorothy Shaffer. Music was provided by The Arpeggios.

The Past Matron's Club of Granite City Chapter 550, Order of Eastern Star, hosted a Christmas dinner party last week at the Round Table Restaurant in Collinsville.

Thirty-one members and guest were present.

Mrs. Mary Bilbrey, president, gave the welcoming address and introduced the club officers and visitors.

Games were played and prizes were awarded to Clara Harbig, Mary French, Mary Bilbrey, Pauline Cox, Bess Henley, Ethel Reed, Fairy Bodman, Nannie Meadows, Wilma Edgington and Guya Stewart.

The Feb. 4 meeting of the club will be with Mrs. Harbig.

True, there's no place like home for the holidays. But, for many, this is also a special time of year when we get a chance to wear that pretty long skirt, when we splurge at the hairdresser, when we hire a baby-sitter—and when we go out.

To make those nights out carefree and fun, several suggestions are being offered.

DON'T TAKE YOUR WORRIES WITH YOU. Make sure the children are left in the care of a competent baby-sitter.

"Liking children" is not enough. The sitter you choose should be someone who has had experience caring for younger brothers and sisters or who has been recommended by other mothers in your neighborhood.

You can make things easier for the young sitter by leaving full instructions. The more businesslike the arrangement, the better.

Young people who earn pocket money baby-sitting should know exactly what is expected of them.

Be certain you leave not only a phone number where you can be reached but also the number of your family doctor in case an emergency should arise.

Emphasize to the sitter that in case of smoke or fire, the children should be taken from

the house immediately—before they're dressed, before the fire department is called, before you are contacted—before a fire results in a fatality.

Insist that no one be admitted to the house unless you have approved their visit.

And be firm in your instructions that the children not be left alone in the house—even for a minute.

DON'T DRINK AND DRIVE. You've heard this one before, but it's a seldom-heeded refrain.

Statistics show that deaths from drunken driving rise with each passing year. The inebriated "life of the party" is in reality a potential killer.

If you're going to a party with your husband or another couple, it's a good idea to decide that one of you will not drink at all.

But, if you must drink, take no more than an alcoholic drink per hour.

It takes a full hour for two-thirds of an ounce of alcohol to burn out of your system.

Eat a good dinner before partying—and do both your husband's ego and yourself a favor by nibbling on the hors d'oeuvres while you drink.

MEANWHILE, BACK AT THE RANCH. You'll probably be entertaining, too, this holiday season.

And the Christmas tree—even with no lights, or at least fewer than usual—will nevertheless lend warmth to holiday get-togethers.

But a live tree in the house is a major fire hazard. Your best bet is an artificial flameproof tree.

If, however, you feel you need a live tree to put you in the right spirit, here are some safety tips.

Keep your tree in a base continually filled with water and make sure it's not near a radiator or fireplace.

Because of the energy crisis, some suggest you hang no lights at all. But, if you do, hang as few as possible and make certain that the cords are in good condition.

No matter how reluctant you are to see the holidays come to an end, don't make the mistake of leaving your tree up too long. Take it down as soon as the needles begin to fall.

And never burn the tree in the fireplace or incinerator. Dispose of it outside.

Finally, all are urged to have a home fire extinguisher ready at all times, with every member of the family thoroughly familiar with an escape plan should a fire start in the home.

Be safe, not sorry, this holiday season.

MHS upsets Red Devils in 48-46 squeaker

By KEN THOMPSON
Press-Record Staff Writer

With two seconds left in the game, Madison's Rudolph Bradley scored to break a 46-46 tie and give the Trojans their first victory in years over the visiting Venice Red Devils Friday night.

Madison, ranked 19th in the state among Class A schools with a 4-2 record, rallied behind the scoring of Bradley to take a 15-4 first quarter lead and for a 23-21 edge over Venice at halftime. Bradley scored 13 of his 21 points in the two periods.

The Red Devils' leading point maker, Ron Henry with 27 points, was held by the Trojans defense to five points in the first period and five in the second.

In the opening minute of second half action Henry put one through the hoop for a 22-23 tie score, and added five more points in the quarter. Bradley was held to only two points in that period.

Tied 33-33 going into the final period, Madison and Venice engaged in a close battle that kept the fans on their feet. On a 10-point scoring spree by Henry, and six by Madison's Bradley, both schools were in a 44-44 tie at the end of the game.

deadlock with 51 seconds left to play.

Ron Glasper was fouled and hit on both free throws to give Madison a 46-44 two point edge with time running out.

In the next few seconds of play, Red Devil Tony Sitten was fouled and silence filled the gym as he stepped to the line for his one and one shot.

Twice he saw the ball sailing toward the hoop and twice Sitten struck paydirt for Venice, making it a 46-46 tiegame.

With five seconds showing on the clock, Madison brought the ball inbounds under its own net.

Then to Jon Henke, over the middle and outside to Chris Stanley, back under the net to Bradley who turned and took a five foot jump shot with two seconds left in the game. The shot was good and Madison overcame years of frustration at the hands of Venice with a 48-46 victory as the Madison fans went wild.

The final tally of the game showed Madison recovering 29 rebounds, 16 assists, 10 turnovers, 21 field goals, six free throws of 15 attempts, while committing 10 fouls. Bradley was high point man with 10 field goals, one free throw, two fouls and seven rebounds recovered.

FINAL BASKET by Venice's Ron Henry (53) earned him a total of 27 points at Madison Friday night. Madison's Daryl Franklin (34) awaits a possible rebound, as does Trojan Jon Henke (32). Between Franklin and

Henke is Venice's J. B. Harmon, and at far right is player Mike Henry. The host Trojans defeated the Red Devils 48-46. (Press-Record Photo)

North matmen shine in double dual wins

Ron Glasper scored 11 points for the Trojans with five field goals and two free throws. He had one foul and two rebounds.

Other Trojans who assisted in the victory were: Chris Stanley, seven points; Carl Campbell, four points; and Daryl Franklin and Jon Henke, two points each.

The Red Devils recovered 27 rebounds, had 15 assists, 16 turnovers, made 20 field goals and were six of 12 in free throws while erring 12 times.

Henry led Venice in scoring with 27 points and four fouls. Sitten was second highest with 14 points and no fouls. Mike Henry made good one field goal and one free throw for three points and J. B. Harmon committed three fouls while being held to only two points by Madison's defense.

In pre-varsity action at Madison Friday, the Red Devils Jaycee squad downed the Trojans 64-44.

Venice, now 1-1, travels to Belleville tomorrow for a 8 p.m. clash with the Eagles of St. Henry. Madison will carry its winning record to Granite City Saturday to meet the Steelers of GCHS North at 8 p.m.

The Steeler matmen of GCHS North carried their 1-1 record against Wood River and Edwardsville Saturday in a round-robin pairing at the North High School gymnasium. A 4-0 emerged with a 3-1 record after downing Wood River 50-3 and Edwardsville 33-15. In the third round of competition, the Edwardsville wrestlers defeated Wood River 40-18.

North captured 11 of its 12 matches against Wood River, six on decisions and five on falls, while losing the 155 pound match on a 7-4 decision to Wood River's Don Smith over Steeler Rick Morlen.

Steelers posting victories (as indicated by times) were: 98 pound—Randy Hartline,

(superior decision) 17-2; 105—Neil Pierson, 5-2; 112—Rudy Pyle, 2-4; 119—Eric Schmeisser, 7-0; 126—Phil Shands, 3-2; 132—Terry Johnson, 3-2; 138—Chester Fetter, (superior decision) 15-2; 145—John Hankins, 8-0; 167—Dave Hamilton, 1-2; 185—Jim Barker, 9-5; and heavyweight—John McMillon, 5-3.

The North wrestlers carried their winning momentum into the second round against Edwardsville, capturing eight of the 12 matches, five on decisions and three on falls.

The local team's four losses were: 145 pound—Edwardsville's Dave Seybert over John Hankins, 5-4; 155—Ralph Jackson over Rick Morlen, 11-5;

Underclassmen initiate schools' cage rivalry

The first cage clash ever between the two Granite City high schools resulted in a split Thursday for the freshmen and sophomore basketball squads of North and South at the South gymnasium. The South Warrior frosh defeated the North Steeler's 58-44.

North's sophomore squad then avenged that loss with a 52-33 romp over the host school.

South's Paul Evans scored 18 points in the first game to give his team control in three of the four periods. The winning frosh Warriors jumped into an early lead in the first quarter, 16-4, but the game was tied at 28 all at the end of two.

In the third period, the host school put 18 points on the board as compared to North's 12 and the Warriors outshot the visitors in the final period 16-12.

The Stealers were led in scoring by Brian Smith and Leo Pelek, with 14 points each.

The sophomore clash had North ahead all the way as Tom Shocker hit a high 20 points for the Stealers, leading them to a 15-4 first period lead, 26-16 in the second, 40-19 in the third, and 52-33 in the final period. South's Rick Fancher popped in three baskets and one free throw for 13 points.

Gloomy day for soccer Cougars

The sky was overcast but no gloomier than the hardy fans of SIUE who had seen their soccer Cougars lose 2-0 to St. Louis University before 8,549 fans at the Busch Stadium Sunday afternoon.

The loss dropped SIUE to 11-2-1 and ended its 1973 season while sending the Bills to their fourth straight shot at the national NCAA major schools championship. St. Louis will defend its national crown at Miami Jan. 2-4.

In eight tries, the Cougars have only a tie and seven losses to St. Louis. The Cougars dominated early in the game but a corner kick made it 1-0 with only 24 seconds left in the first half, and the hosts also tallied in the second half on a penalty shot and a solo effort.

SIUE cage loss

Down by 17 with 11:33 to go, the University of Missouri-St. Louis rallied from a 70-53 deficit in top SIUE 8-49 in the championship finals of the first annual UMSL basketball tourney Saturday night. Sparking the rally was Bob Bone of Collinsville, who totaled 32 points.

SIUE led 80-79 but with three seconds left Kevin Barbulis was awarded a field goal on a go-ahead call. For the Cougars, Leon Wright had 19 points and 12 rebounds and Doug Young 18 and 13.

South grapplers win

WARRIOR AND TIGER BATTLE. GCHS South Warrior John Avedisian (left) struggles with an Edwardsville opponent here Friday night. Avedisian won the 185-pound wrestling match by a 1-0 decision. (Press-Record Photo)

The Warrior matmen of GCHS South posted their 45th, 46th and 47th consecutive victories during the weekend, a record which began in the 1970-71 season. Edwardsville fell victim Friday night at South 42-8 and then Decatur Eisenhower was overpowered 58-3 and the host school, Bloomington, fell 62-11.

During Friday night's Edwardsville meet, the Warrior Jaycee team beat the visitors 42-11 while the sophomore's fell 26-20 and the freshmen lost 38-21.

Against Edwardsville, the varsity squad won 5 of the 12 matches, four on pins and five by decision, while posting one tie and losing two. The draw

was a 2-2 decision by 155 pounder Ken Nolen. The Warriors losses came on a 3-45 Edwardsville pin on Brian Wilson in the 167 pound division, and a 5-1 Tiger decision over heavyweight Jerry Patterson. Team members with winning scores (as indicated by times) were: 98 pounds—Woody Halbrook, 4:15; 105—Steve Garland, 4:31; 112—Pat McMillan, 10:31; 119—Kevin Page, 1:37; 126—John Niebur, 4:14; 132—Don Heath, 9:11; 138—Dan Heath, 3:49; 145—Dave Rushing, (superior decision) 12-0; 185—John Avedisian, 1-0.

At Bloomington Saturday, South downed Decatur by taking 11 of the 12 matches, eight on pins and three on decisions. South's only loss was a 7-1 Eisenhower decision over 167 pounder Brian Wilson.

Warrior team members with winning scores (pins indicated by times) were: 98 pounds—Woody Halbrook, 2:49; 105—Steve Garland, 1:10; 112—Pat McMillan, 4:26; 119—Kevin Page, 3:51; 126—John Niebur (superior decision) 14-1; 132—Don Heath, 4:56; 138—Dan Heath, 1:58; 145—Dave Rushing, 8-3; 155—Ken Nolen, 2:41; 185—John Avedisian, 9-8; and heavyweight—Jerry Patterson with a pin in 3:58.

William Schmitt, South's wrestling coach, predicted that Bloomington would give the Warriors the most trouble. That prediction came true Saturday as the local team won four victories in eight of the 12 matches, three in decisions, three on pins, and one each by default and forfeit, while posting one draw.

The draw was a 2-3 decision on Dave Rushing in the 145 pound class. The Warriors three losses were on a 3-4 decision against 105 pounder Steve Garland, a 9-5 decision against Kevin Page in 119 class, and a 9-7 decision against Dan Heath in the 138 pound match.

John Avedisian, 185 pound, won by default because his scheduled opponent was injured and heavyweight Jerry Patterson took his match by forfeit when Bloomington failed to produce an opponent in that class.

Other team members with winning scores (pins indicated by times) were: 98-pound—Woody Halbrook, 10:46; 112—Pat McMillan, 8-2; 126—John Niebur, (superior decision) 17-3; 132—Don Heath, 3:29; 135—Ken Nolen, 3:05; and 167—Brian Wilson, 3:18.

A Gift for the CHILD

On that first Christmas, so long ago, came strangers bearing gifts for the wondrous Child. And thus began our warm tradition of holiday giving.

This year, we are trying to relive the spirit of that first Christmas. We have asked our em-

ployees to imagine the Christ Child has been born this Christmas. We asked them to present a Gift for the Child. A gift, created or bought, that shows the depth of their feeling at the coming of this miracle.

These gifts will be on display beneath our lobby Christmas tree. You will be surprised at the ingenuity, variety and exquisite beauty of their selections.

And, just in time for Christmas, these gifts will be distributed among the less fortunate children in the Tri-Cities by the Salvation Army.

And if you would like to submit a gift, we will display it underneath our tree as your token of the true revival of the holiday spirit.

*Due to the energy crisis, First Bank has extinguished all exterior and interior lights, including our beautiful traditional lobby Christmas Tree, except those necessary to meet minimum security requirements. This temporary action in no way dims our sincere wishes for a happy holiday season to all our many customers and friends of the Quad-Cities.

Venice, St. Henry cagers to clash at Belleville

Two of the hottest teams in Illinois Class A basketball competition, the Venice Red Devils, who last year earned third place honors in the state finals, and St. Henry's Eagles of Belleville, considered by many as a strong contender for the 1973-74 Charters Conference title, will clash head-on tomorrow night at Belleville. This time last year, the Red Devils captured their fourth consecutive victory enroute to a nearly perfect season by downing the Eagles 76-44 on a 31

point scoring spree of junior forward Ron Henry. Dan Severs racked up 18 points, Cornelius Wiley 14, Tony Sitten eight, Ray Mosby and J. B. Harmon, two each.

St. Henry's high man, with 18 points, was 6-6 junior Don Roussau. So far this season he has averaged 23.3 points per game, 542 on field goal percentage, and is recovering 14.4 rebounds per outing.

J. B. Harmon and Tony Sitten will take to the court with Henry as the only returning members of last year's Red Devil squad. Complementing them will be

Jeff Corrie and either Reggie Gardner or Harvey Logan.

The 8 p.m. game will be the seventh of the season for St. Henry and only the third for Venice.

Twin victories for North cagers

Coach William Ohlendorf and the GCHS North Steelers are building a very impressive first year record, now 3-1, after posting back-to-back victories, 41-31 Friday over the Wood River Oilers and 69-44 Saturday night against the Pioneers of Assumption, both games were played at GCHS South.

The Steelers opened the 1973 season Nov. 30 with a 30-27 victory over Springfield-Griffin then fell victim the next day to Okaville 48-54. In the Okaville clash senior Dave Schneckle set a first year school record with 27 points. The old record was 20 set by Don Lloyd against Griffin.

Schneckle led the Steelers in scoring again Friday night in their victory over Wood River. He scored on nine field goals and two free throws for a total of 20 points, bringing his team from a two point first period deficit of 16-14 to a 29-22 half-time lead, then a 14 point margin of 48-32 in the third quarter, and the final 61-31 win.

Schneckle was aided on the court by several other scorers. Greg Gauert hit on six field goals for 12 points, Darryl Fuge earned 10 points with five field goals, Lloyd and Cary Simpson scored six points each on the same number of field goals, Mike Walde earned four points on two field goals and Dennis McBride was two-of-two from the free-throw line while Gene Logas hit on one.

North committed 15 fouls, as did the Oilers. The Oilers were 23 of 49 in field goal attempts as compared to Wood River's 22 of 46. The Oilers shot behind in free throws, making only five of 12 while Wood River hit on seven of 13. Shooting for Wood River were Rick Downer, 14 points; Ken Zumwalt, 13; Stan Vidakovich, 12; Carantonello, eight; and Dorek and Carach with two each.

Steeler kickers honored at event

More than 200 persons were on hand as Granite City High School honored its Steeler soccer players last week with a banquet in the school's cafeteria. Pat McBride was the guest speaker.

McBride, captain of the St. Louis Stars professional soccer club and assistant coach of the Southern Illinois University at Edwardsville Cougar soccer squad, stressed to the players the importance of an education pointing out that it goes hand-in-hand with sports to develop well-balanced youth.

Steeler head mentor Bob Kehoe presented varsity school letter awards to 24 members of the soccer team, and six sophomore letters and ten freshmen letter awards to the remaining athletes.

Kehoe presented the prestigious Sterling Steeler awards to four seniors, voted by their teammates as the team's most outstanding players—Mark Baugh, Dennis Jones, Jeff Larner and Larry Peir.

They were cited for having been instrumental in the squad's 19-5-1 first year record, which included runner-up honors in the Illinois High School Association district meet and runner-up honors in the St. Louis Metropolitan Soccer League.

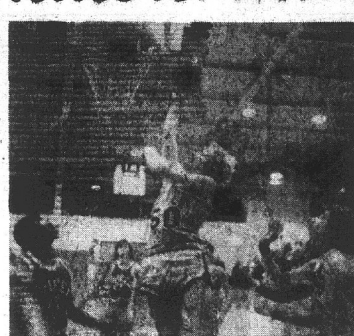

Others receiving varsity letters were Harvey Breckner, The Madison Junior High Spartans defeated the Prather Chiefs 28-13 in seventh grade action and 48-36 at the eighth grade level, to emerge as the only winning school Thursday of the four local junior high age squads.

The seventh grade scoring for Madison was led by Danny Rogers with eight points. Andy Ellis and Anthony King scored 14 points in the eighth grade victory.

The visiting Collinsville Webster team downed the Coldgate Braves seventh graders 38-35 and posted a 36-32 win over the eighth grade cagers. Coldgate was led in scoring by Jeff Parker who racked up 17 points in the lower level game, and Terry Angle with 17 points for the eighth graders.

Roxana held the Grigby Gators scoreless in the fourth period of seventh grade action to post a one point, 28-27, win over the local host squad. The visitors then outpointed the eighth grade cagers 30-36. Rich Willardell had 15 points and Brad Gauert 14 in the latter game for Grigby.

GOAL BY DAVE SCHNECKLE FOR GCHS North as it hosted Assumption Saturday night. No. 21 of the Pioneers is Tom Biggs and at far right is Leonard Mikolazuk, also of Assumption. The photo was taken in the third quarter. (Press-Record Photo)

The Steelers carried their fired up aggression against the Assumption Pioneers Saturday night, a team which had defeated Galsburg Waterloo in its season opener and then led by only one point, 54-53, to Belleville Althoff the night before the North game. North overcame a first period 14-12 Pioneer lead to defeat the visitors 69-44 on the sharp shooting of Schneckle and Lloyd, who together tallied 39 points in the game.

Schneckle scored 12 of his 19 points in the first half and Lloyd 10 of his game high 20 in the

same half to help give the Steelers a narrow 34-30 halftime lead.

Schneckle made seven more points before leaving the game with five personal fouls. Lloyd picked up the pace in the second half with another 10 points as North pulled away from the visitors 56-40 in the third period and 69-44 in the final.

Complementing the two in scoring were four players with six points each, Greg Gauert, Mike Walde, Cary Simpson, and Darryl Fuge. John Baker added four points and Gene Logas two. North recovered 35 rebounds, compared to Assumption's 29.

made 20 field goals to the enemy's 24 and led on free throws with 11 to the Pioneers' six. The Steelers scored 19 times, five by Schneckle, as did Assumption. Five of the Pioneers' personal fouls forced Jerome Heavens, who had scored eight points, out of the game.

Assumption's tallest player, 6-5 Leonard Mikolazuk, was high point man for his squad with 19, nine field goals and one free shot. The team's only returning starter from last year, Tim Pawlow, sunk five field goals and three from the free line for 13 points.

Other Pioneers scoring were: Rodney Young, 10; Mike Wallis, two; and Mike Austin, two. Mikolazuk had scored 10 of his points in the first half of play as did Heavens with his eight in the game.

To Coach Ohlendorf, the game was one big surprise. "I felt we had the ability to defeat them," said the head mentor later, "but never did I dream it would be by so large a margin."

"After all, Assumption lost by only one point Friday night to Belleville Althoff, which is one of the Bi-State Conference powerhouses," he explained.

The 3-1 Steelers face a tough Madison team at 8 p.m. Saturday at GCHS-South's gymnasium. The Trojans, now 5-2, posted their fourth consecutive victory Friday afternoon by upsetting the Venice Red Devils 48-46.

Chiefs' grapplers top Jerseyville

The Chiefs of Prather Junior High School defeated Jerseyville 57-16 Thursday in capturing their second consecutive wrestling meet. Prather now is 2-0 after opening its 1973 mat season Dec. 4 with a close 39-36 victory over Coldgate.

In downing Jerseyville, team members of the Chiefs, with winning scores (pins indicated by times) were: 75 pounds—Bryan Govers :39; 82—Andy McKelmore 1:33; 98—Sam Perkins 1:20; 105—Doug Whitworth 1:49; 119—Greg Tingley :41; 126—Tom Elison 3:31; 135—John Shimwell :28; 145—Myron Schmel 1:38; 170—Mark Lemp :31; and Heavyweight—Louis Medley :39.

Alton outscores South cagers

The Alton Redbirds, fresh from a season opening victory over Jacksonville, dropped the GCHS South Warrior cage record to 6-3 by downing the visiting local squad 67-38 Friday night to open the 1973 South Western Conference action.

In last year's 74-46 defeat at the hands of Alton, the Warriors hit on only 33 percent of their field goals, 10 of 54, while the Redbirds hit on 70 percent, making 28 of 40 attempts.

Friday night's game at Alton was basically a repeat of 1972 with Alton making 31 field goals to South's 14. The Warriors doubled the score on free throws, however, putting 10 through the net as compared to five for the host cagers.

Alton's 6-4 senior Doug Nalley totaled 20 points in the game, 18 in the first half, giving the Redbirds a 15-4 first quarter lead and a commanding 37-18 halftime edge.

The Warrior defense held Nalley to only two points in the second half but allowed Jeff Copley, a 6-1 senior, to pick up the pace with five field goals. The Redbirds collected 16 big points in the third period to extend their lead to an almost unsurmountable 53-25.

South fought a hard game of catchup in the final period but could muster only 13 points as Alton added 14 more.

Topping South in points was junior Ken Bertrand with 12. Mike Martinez added nine, Bob Hutchings and Dale Williams scored six each, and Tom Schooley hit the basket for five points.

Assisting the Redbirds in the victory were Tom Stumpe and Justin Scheiger, with nine each. Willie Huff who scored 21 points against Jacksonville, was held to only eight, and Maurice Williams and Terry Green added six and five points respectively.

The Warriors will be seeking their first win of the season this Friday when they host the top rated Quincy team in an 8 p.m. game.

In other Southwestern Conference cage action during the weekend, Collinsville beat Cahokia 79-60 and the East St. Louis Flyers won 60-52 over the

Maroons of Belleville West. Mississippi Valley Conference scores were: Jerseyville 74, Highland 87; Macoupin 58, Rottam 47; O'Fallon 79, Triad 70. Bi-State Conference action was Belleville Althoff post a close 54-53 victory over Assumption of East St. Louis. Dupu outscored Columbia 57-53 and Freeburg defeated Waterloo 62-47 in the Cahokia Conference. Compellion, Chertre Conference matchings resulted in Steelville scoring 46 points to

Crash hurts 2; 3 charges filed

A Crestwood, Mo., youth was arrested at 11:20 p.m. Friday after the car he was driving allegedly became involved in a collision with another vehicle and police allegedly found a quantity of cannabis in the youth's auto.

Mark Allen O'Mara, 17, was charged with illegal possession of cannabis and alcohol and failure to yield the right-of-way. A southbound vehicle struck at 22nd and State streets was operated by Mrs. Kathleen M. Dawey, 23, of Alton.

Officers at the scene reported finding a plastic bag and a half-filled beer can.

A passenger in O'Mara's auto, Michael Gleeson, 18, Belleville, was taken by ambulance to St. Elizabeth Hospital with a 3½-inch cut to the head. He had x-rays taken of the skull and spine and was admitted for observation. Mrs. Dawey also sustained an injury.

Boy, 6, hit by car
Edward M. Gammon, 6, of 2559 Iowa St., was hurt when he was struck by the car of Susan Schaefer, 3016 Edgewood Ave., in the alley by the 2500 block of Iowa St., Thursday.

He was admitted to St. Elizabeth Hospital with two puncture wounds to the back of his head and an injury to his left hip. X-rays were taken.

Mrs. Schaffner dies suddenly

Mrs. Bernice B. (Bartlett) Schaffner, 63, of 609 Westinghouse Ave., Venice, suffered an apparent heart attack while in her 1968 auto at the rear of Bellemeore Village Shopping Center and crashed into a parked vehicle at 2:40 p.m. Saturday.

She was taken by ambulance to St. Elizabeth Hospital, where she was pronounced dead upon arrival at 2:50 p.m.

Police said Mrs. Schaffner was at the rear of Glik's Department Store and apparently was backing her auto toward the north side of the shopping center lot when she suffered the fatal attack.

It was not determined immediately if death occurred prior to Mrs. Schaffner's vehicle striking a 1970 Pinto owned by Mrs. Colesta Johnson, 257 Iowa St., which was parked nearby, police said.

Mrs. Schaffner had been under a physician's care for heart ailment. Prior to retirement she was employed six years as a secretary at the Auto Terminal in Venice.

She was born in Waynesville, Mo., and resided in Venice 44 years. She was a member of the First United Presbyterian Church. Her husband, George C. Schaffner, died July 15, 1972.

Survivors include two sons, George Charles Schaffner of Madison and Roger R. Schaffner of Decatur, Ill.; one daughter, Mrs. Gerald (Elizabeth) Lipchik of Granite City; one brother, Walter Bartlett Jr. of Waynesville; four sisters, Mrs. Raymond (Olive) Sallins of Crocker, Mo., and Mrs. Mert (Amy) Shelton.

Mrs. Raymond (Velma) Weber, all of Waynesville; her mother-in-law, Mrs. Nellie Schaffner of Venice, and six grandchildren. Funeral arrangements are given in the obituary column.

AUTOMOBILE STOLEN
The 1965 car of Bonnie Fuller, 2707 Roosevelt Ave., was stolen from her home last week.

Mrs. Lona Williams dies

Mrs. Lona Myrtle Williams, 77, of 2405 Rock Road, Ill. for four years, died at 11:50 p.m. Saturday at St. Elizabeth Hospital where she had been a patient three weeks.

Born in Salem, Mo., she resided in the Quad-Cities 51 years. Mrs. Williams was a member of the West 22nd Street Baptist Church.

Her husband died Nov. 20, 1966. Survivors include three sons, Raymond Williams of St. Louis,

Clyde Williams of Madison and Fred Williams of Bend, Ill.; five daughters, Mrs. Lawrence (Loretta) Burnett of Iberia, Mo., Mrs. Albert (Irene) Bertels, Mrs. Arthur (Vivian) Starnes and Mrs. James (Shirley) Warren, all of Granite City, and Mrs. Robert (Stella) Green of Phoenix, Ariz.; one sister, Mrs. Anna Brown of Ava, Mo.; 27 grandchildren and 25 great-grandchildren.

Funeral arrangements are given in the obituary column.

Ex-resident fatally injured

Brittenstine, her parents, Mr. and Mrs. Clarence (Shirley) Stalling, her grandmother, Mrs. Nora Stalling of Granite City.

Her father, Clarence Stalling, was employed by Illinois Power Co., Granite City, and was transferred by the company to Jacksonville.

Funeral services were held at 1:30 p.m. today with burial in Memorial Lawn Cemetery, Jacksonville.

PURSE STOLEN
Jeanette Watten, New Athens, Ill., reported at 2 p.m. Saturday the theft of a purse from the seat of a truck when the vehicle was parked outside 2001 Kirkpatrick Homes.

SERVICE STATION THEFT
Burglars looted D & J Mobil Service Station, 20th Street and Madison Ave., stealing a metal strongbox containing \$256 and a checkbook. The box was found against the Hubbel Metals Co. fence beside the extension of 16th Street at 5:10 a.m. Friday, before the burglary was reported. The cash had been removed. While returning the box, police noticed that the front door at the service station had been forced open.

Venice City Hall remodeling nearing completion

VENICE CITY HALL remodeling is nearing completion. This view shows changes in the old front entrance, with the main entrance changed to the side of the building at right, where police cars now are parked.

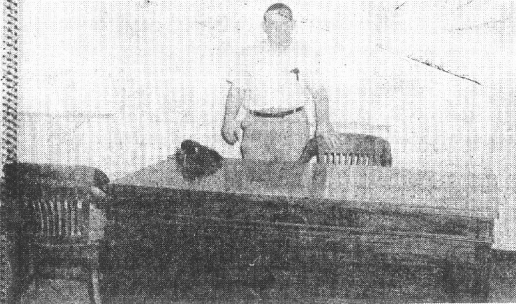

Police officers will have their own entrance on the west side of the building for booking prisoners and parking squad cars. The flag is at half mast in memory of the late Mayor John E. Lee. (Press-Record Photo)

CONFERENCE ROOM on the second floor of the Venice City Hall connects with the Mayor's office by the door at the rear. Another door located on the right, but

not shown here, connects with the council room. (Press-Record Photo)

GI training sets record

More college students already have received educational benefits under the current GI Bill than were trained during the entire World War II GI Bill program, Donald E. Johnson, administrator of Veterans Affairs, reported.

During October, Johnson said, nearly 801,000 GI Bill college students were enrolled. This surge pushed the

cumulative total during the seven years since the newest GI Bill was enacted to 2,258,158 trainees.

College enrollments during the entire 12 years of the World War II GI Bill numbered 2,230,000. The total for the seven year program under the Korean GI Bill was 1,158,109.

College trainees under the

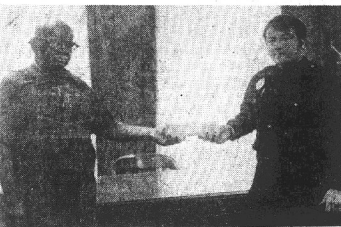

current GI Bill include 91,312 servicemen and 2,166,846 veterans. Military personnel on active duty were not eligible for training under the two earlier GI Bills.

The number of college trainees in the present GI Bill program is expected to far outstrip the World War II college trainee total in the years to come since Vietnam Era veterans have eligibility for eight years following release from service.

In terms of percentage of all GI Bill trainees who trained at the college level, Johnson noted, only 28.6 per cent of the World War II veterans went to college. That percentage jumped to 50.7 per cent for the Korean GI Bill, and to date stands at 56.1 per cent for Vietnam Era veterans.

A major reason for the big increase in college level training today, the VA Administrator added, is the higher level or pre-service education attained by present day veterans. During World War II only 38.5 per cent of servicemen had completed high school.

Some 85 per cent of the Vietnam Era servicemen were high school graduates, and thousands of others were able to complete high school training under military educational programs while in service.

MAYOR'S OFFICE, originally scheduled for completion with the rest of the remodeling of the Venice City Hall, is not quite ready. George Green, city hall custodian, right, hands the desk sign, reading "John E. Lee—Mayor," to the late mayor's son-in-law, Roderick Bauder, a Venice police officer. Mayor Lee, Jr., who spearheaded plans for the remodeling project, died Nov. 30. (Press-Record Photo)

New x-ray limits

On July 1, 1974, Illinois residents will become the first group of people in the U.S. to be protected by medical x-ray exposure limits, according to Dr. Joyce Lashof, director of the Illinois Department of Public Health.

The Illinois Radiation Protection Advisory Council has approved a Illinois Department of Public Health request to establish four medical radiation exposure limits for certain routine x-ray examinations, Dr. Lashof said.

During the past two years, the department gathered data on actual radiation doses received from medical x-ray facilities. Statistics indicate that 75 per cent of the inspected facilities will meet the new limits for abdomen, skull, cervical and lumbar spine exposures, with the remaining 25 per cent exceeding the limits, in some cases significantly.

Dr. Lashof said the Illinois

radiological health program has consistently been the vanguard of consumer radiation protection. A year ago, the department established the first exposure limits on dental x-ray. Phil Brunner, chief of the Division of Radiological Health, said, "The reaction and cooperation we have received to the dental limits has been exemplary. In the past year, we have seen a significant reduction in dental patient exposure."

Other consumer firsts for Illinois include being the first state to set limits on the operation of mass radiation screening devices requiring medical supervision to screen patients.

The Illinois program was also the first to require the use of open-ended, shielded collimators on dental x-ray machines to reduce unnecessary radiation exposure that could reach the patient.

Fowler officer of college vets

Robert Fowler, 4095 Kaseberg Lane, a student at Southern Illinois University at Edwardsville, has been elected vice-president of the Association of Collegiate Veterans (ACV) for the 1973-74 academic year.

The ACV acts as a clearinghouse on campus to assist individual needs of veterans, and is run by veterans.

Their activities include helping the veteran find suitable employment, providing a short-term loan fund, providing tutorial service for veterans, and assisting veterans in making inquiries to the Veterans Administration regional office.

Dividend vote

The board of directors of Illinois Power Company, at a meeting last week, declared regular quarterly dividends of 31 cents per share on 4.08 per cent cumulative preferred stock; 52½ cents on 4.20 per cent cumulative preferred; 53½ cents per share on 4.42 per cent; 58½ on 4.70 per cent; \$1.03 on 5.24 per cent; 94½ cents on the 5.56 per cent cumulative preferred stock; and 55 cents per share on the common stock of the company.

The dividends are all payable Feb. 1 to stockholders of record on Jan. 10.

Rites for father of Mrs. Darce

Funeral services were held Saturday morning at Our Lady of Lourdes Catholic Church in Sparta for Dominic "Dan" Jasudowicz, 79, of Rural Route Two, Sparta, father of Mrs. Florence Darce of Granite City. He died at the Community Hospital in Sparta on Wednesday.

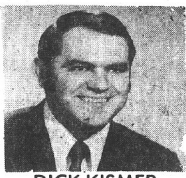

Other survivors include his widow, Mrs. Pauline Jasudowicz; another daughter, Mrs. Eldora (Irene) Renkenmeyer of Nashville; and a sister, Mrs. Hattie Goszewski of Royalton.

MR. AND MRS. DANIEL WORTHEN, who were married in an evening ceremony at St. Margaret Mary Roman Catholic Church. The bride is the former Miss Denise Cella Tucker, a daughter of Mr. and Mrs. Floyd C. Tucker Jr., 3005 Wayne Ave. (Dorcas Photo)

Worthen-Tucker nuptials at St. Margaret Mary's

Mrs. Denise Cella Tucker, a daughter of Mr. and Mrs. Floyd C. Tucker Jr., 3005 Wayne Ave., and Daniel William Worthen, son of Mr. and Mrs. James P. Worthen, 3224 Aubrey Ave., exchanged nuptials on Nov. 5 at St. Margaret Mary Roman Catholic Church.

Apricot satin bows marked the family pews and large urns of mums, apricot carnations, baby breath and greenery decorated the altar for the double ring ceremony performed at 7 p.m. by the Rev. Edward Groesch.

Mrs. Margaret Crauchaw, organist, accompanied the groom's mother, Mrs. Alice Worthen, as she sang several selections during the service. The music included "Speak Softly Love," "For Baby," "Twelfth of Never," "Sunrise, Sunset," "The Sweetheart Tree," "Jesus, Jesus Come To Me," "On This Day Oh Beautiful Mother" and "Ave Maria."

Given in marriage by her father, the bride chose a full length gown of organza over taffeta. Venise lace and peach velvet ribbon accented the high neckline, traced the sheer yoke and was repeated at the natural waistline.

Her gown was designed with short puff sleeves, a semi-full skirt and a chapel length train bordered with the decorative lace and ribbon braid.

She wore a lustrous picture hat in a candlelight shade with a full length candlelight veil trimmed in peach organza. The bride bouquet was a colonial arrangement of apricot carnations, red and apricot roses and baby breath encircled with a garland of greenery.

A sister of the bride, Mrs. Cheryl Barton, served as matron of honor. Miss Debra Walton and Miss Dinah Thompson were the bridesmaids.

They chose identical floor length gowns of burgandy crepe fashioned with short puff sleeves and high necklines. Ivory lace square yokes accented the Empire style bodices.

The high rise waistlines were defined with rail ties to form a bow and long streamers at the back and enhance the A-line silhouette skirt.

Each attendant wore an ivory picture hat with long burgandy streamers and carried a colonial bouquet of apricot carnations and roses interspersed with red wine colored baby breath and green leaves.

The groom chose Kenneth Vartan as his best man. Robert Case from Mississippi and James Worthen, a brother of the groom, were groomsmen. Michael Cain and Mike Heath served the guests.

Brenda Sue Randall registered guests as they arrived at a reception at the Tri-City American Legion Hall, 1828 State St.

Mr. and Mrs. Worthen, the groom's parents, hosted a rehearsal dinner in their home. The newly married couple is residing at Gulpert, Miss., where the groom is stationed with the U. S. Coast Guard. He has been in the service for two years and presently is aboard the Coast Guard cutter Acushnet.

A graduate of Granite City High School, the bride was employed in the business offices of Famous-Barr Co., St. Louis. Mrs. Tucker, mother of the bride, selected a long coat and dress ensemble in aqua styled along princess lines. The dress was trimmed with heavy Alecon lace at the waist and rhinestone buttons secured the coat. Her accessories were in silver and she wore a corsage of apricot carnations looped with silver bows.

The groom's mother, Mrs. Worthen, chose a powder blue sleeveless dress, full length, with a high neckline and accordion pleated skirt. A matching long sleeve jacket and silver accessories complemented her attire, and she wore a corsage of silver tinted carnations.

Aid to needy by Venice, Madison Girl Scout units

The annual Festival of Giving was held by Girl Scout Neighborhood one last week at the Madison Recreation Center. Neighborhood One includes all the Brownies, Junior Scouts, Cadettes and Senior Scouts from Madison and Venice.

An opening ceremony was held by representatives of each troop.

The girls were entertained by Officer John Apperson and his wife, Virginia. He has conducted many magic shows for local organizations, especially scouts.

Special guests were Mrs. Diane Hessel and her daughter. Mrs. Hessel is the local district chairman.

Refreshments were served

and candy was given to each girl by Santa Claus.

Canned goods and ornaments were given by each girl to aid needy families of this area.

Mrs. Evelyn Tolliver is the neighborhood chairman. Troops represented were 410, 392, 474, 346, 417, 456, 367 and 107. Chairmen of the event were Mrs. Linda Noud and Mrs. Beatrice Stentzer.

Yule dinner for Ruth Ford group

Christmas centerpieces decorated the tables creating a festive atmosphere for the holiday banquet of the Ruth Ford Bible Study group at the Second Baptist Church last week. Mrs. Naomi Rongey was hostess and Mrs. Alice Hoffman gave the invocation.

After dinner, Mrs. Louise Mitchell presided at the piano as the group sang Christmas carols led by Mrs. Mina Duggan.

Prayers were offered by Mrs. Margaret Dutton and Mrs. Minnie Cavins and Mrs. Delores Ayers presented the devotional.

During the social hour games were played with prizes going to Mrs. Dutton, Mrs. Mitchell and Mrs. Nellie Dietler. A gift exchange also was held.

Attending were Dena Watson, Rachel Westphal, Ruben Snyder, Mae Dean Lloyd, Mary Charlton, Mina Duggan, Lois Jones, Ruby Mayberry, Louise Mitchell, Dolores Ayers, Gertrude Bundy, Ruth Hassler, Alene Reagan, Elsie Sturdivant, Rosemary Wilson, Louise Wallace, Alice Hoffman, Margaret Dutton, Naomi Rongey, Georgia Mitchell, Lena Stephens, Minnie Cavins, Florence Paul, Myra Grote, Goldie Smith, Nellie Dietler, Edith Wilson, Gladys Hudgens and Naomi Rongey.

Fatima Circle hosts state regent

Miss Janet Hagen, state regent of the Illinois Daughters of Isabella, and her mother, Mrs. William Hagen, both of Wood River, were special guests at a Christmas dinner party hosted by Our Lady of Fatima Circle last week.

Mrs. Marion Rose Lambert, circle regent, gave the welcoming address and the Rev. Lawrence J. Mattingly, St. Elizabeth Church pastor, offered the invocation.

Dinner was served to 70 members and guests in the Officers Club at the Granite City Army Installation. Tables were decorated in a seasonal

theme, with large candle centerpieces and tiny Santa "books" placed as favors.

Entertainment was provided by the Madison Senior Citizens Band, featuring Mrs. Dorothy Bridick at the piano. Clarence Green announced the old-time favorite songs and led the group in singing Christmas carols.

The Rev. Mattingly discussed "The Real Meaning of Christmas," reminding circle members to join in the spiritual meaning of the holiday season with special prayers.

A gift exchange was held and several prizes were awarded by Mrs. Gerry Mendez and Mrs.

Kathy Dohal, co-chairman. Serving also on the party committee were Mesdames Gail Gargas, Margie Greenwald, Deloris Harzil, Delores Klesh, Gladys Kosher, Stephanie Ruzic, Gloria Ryterski and Janette Scannell.

Mrs. Lambert conducted a brief business meeting and renounced the group that a corporate communion day is set for 10 a.m. Dec. 30 at St. Mark's Church in Venice.

The organization's state conference will take place in May at Springfield, Ill., and the national convention at Boston, Mass. It was announced during the meeting.

Fidelis Class entertains

A covered dish supper preceded a Christmas party of the Fidelis Sunday School Class at the Second Baptist Church last week.

Yuletide arrangements centered the dinner tables. Art Hoffman gave the invocation and Mrs. Minnie Cavins opened the meeting. Mrs. Naomi Rongey offered prayer.

A devotional entitled "Santa Is Coming-Jesus Is Coming," taken from Luke 2, was presented by the class teacher, Mrs. Dolores Ayers.

Mrs. Louise Mitchell, Mrs. Mina Duggan and Mrs. Alice Hoffman sang "Silent Night," followed with a Christmas reading by Mrs. LaVerna Corbett.

Gifts were exchanged by the adults and Mrs. Mitchell and Mrs. Maxine Smith distributed special gifts to the children. Class members presented Mrs. Ayers a special gift.

Other members present were Ruben Snyder, Sadie Joyce, Myra Grote, Cora Miller, Ruby Harper, Ruth Chapman, Ruth Hassler, Kay Pearson, Ruby Mayberry, Helen Wigger and Nellie Dietler.

Guests and friends attending were Sherry Cook, Nancy Wigger, Bob Smith, Gertrude Bundy, Florence Paul, Donald

Mayberry, Jay Corbett and daughters, Ann and Della; Jack, Betty and Danny Haug, Art Hoffman, Mary Patterson, Cavins, Lawson, Howard Wigger, Margaret Dutton, Rosemary Wilson, Carl Ayers, Larry, Donna and Terry Ayers and Ronetta Curtis.

Santa Claus visits past noble grands

A surprise visit from Santa Claus, who distributed gifts to the members and guests, highlighted the annual Christmas dinner party of the Past Noble Grand Club of Delray Rebeck Lodge held last week at Charlie's Restaurant.

Gifts were exchanged after dinner and Mrs. Edna Foster read the "Christmas Story."

Those present were Belle Clemmons, Ruth Hannebrink, Leora Rogers, Jerry Evokes, Dorothy Gregory, Mary Mortenson, Estelle McBrien, Naomi James, Elsie Vance, Verna Willman, Virginia Gull, Lucille Veach, Louise Ebersold, Irma Gray, Leonae Salmon, Carrie Griffin, Daisy Burnett, Marie Ziegler and a guest, Delores Vierling.

Lawson-Bierbaum betrothal

Mr. and Mrs. Orville O. Bierbaum, 13 Jackson Drive, East Alton, are announcing the engagement and forthcoming marriage of their daughter, Miss Rosella Bierbaum, to Kim Lawson, son of Mr. and Mrs. Thomas Lawson, 2008 Elm St., Granite City.

The betrothed couple will be

married on Jan. 19. Miss Bierbaum, a 1972 graduate of Roxana High School, is employed by National Vendors of St. Louis. Her fiancé was graduated in 1968 from Granite City High School and is attending Southern Illinois University at Edwardsville. He works at Shell Oil Co. in Wood River.

Baton twirlers win 80 awards

Local baton twirlers participated in a contest held at Michigan City, Ind., last week and won a total of 80 trophies, including 24 first-place awards.

The children are students of Mrs. Sharold Yount, who won the teacher's trophy for the day.

Mrs. Yount will sponsor a contest in Granite City on Feb. 2, to be known as the "Miss Sweetheart" competition. The initial event, hosted here last year, attracted 1,500 entries.

Those earning first places at the Indiana contest were Sandra Norris, 6, who took 12 top honors in intermediate solo, personality, advance military, advanced two batons, advanced hoop, sportswear, best Christmas costume and best military costume.

The Norris girl won the overall high point trophy by accumulating 68 out of a possible 70 points. She also was first runner-up in the intermediate two-batons match against 10 girls between the ages of 6 and 16.

Sandra Yount, 6, took four first-place trophies in beginning solo, special twist, beginning duets and beginning basic march.

Her brother, Ray Alan Yount, received three first places, in

beginning duets; boy's solo and boy's military.

Sandra McNeely, 3, captured a first-place trophy in special twist and Lisa Sellers, 8, won two first places in beginning solo and best military costume.

Other students winning prizes and trophies at the contest were Rickie Sellers, 11; Brad Broshaw, 8; Stacy Broshaw, 9; and Sheila Schmidt, 8.

BUNCO CLUB MEETS WITH MRS. KOESTERER

A regular meeting of the Thursday Bunco Club was held in the home of Mrs. Alice Koesterer. Plans were finalized for a Christmas party to be held this week at Tony's Restaurant. Those who won prizes during the evening were Mrs. Louise Orr, Mrs. Elsie Banaszak, Mrs. Angie Hartman and Mrs. Lorine Menzes. Others attending were Mrs. Myrtle Bruns and Mrs. Celeste Johnson.

The Dec. 27 meeting will be with Mrs. Orr.

Mrs. Halbert installed

Newly elected officers of the Past President's Parley of Tri-City American Legion Auxiliary 113 were installed at the group's Christmas dinner party held last week at Tempel's Smorgasbord.

Mrs. Rose Halbert, who will serve as president in 1974, was presented with the club gavel by her daughter, Mrs. Doris Edwards, the retiring president.

Other officers installed are: Mrs. Mildred Rees, secretary; Mrs. Edwards, treasurer; Mrs. Lumeta Durbin, chaplain; and Mrs. Alma Klaus, sick and

visitation chairman.

The table appointments were in red, gold and green and featured a dancing Santa centerpiece with miniature candy animals.

Special prayers were offered for Mrs. Winifred Costello, Mrs. Georgia Kramer and Mrs. Ethel Petri, all past presidents of the unit, who are ill.

Following the dinner, games were played and a gift exchange was held. Twenty-two past presidents were introduced by the new president, Mrs. Halbert.

Rotary Anns' holiday party

Garlands of greenery, holiday tapers and a brilliantly lighted Christmas tree decorated with colorful ornaments were among the seasonal appointments used in the rathskeller at the home of Mrs. Betty Mathias, 34 Oaklawn Drive, for the annual Yuletide dinner party last week of the Rotary Anns Club.

Serving on the hostess committee were Mrs. Margaret Smith, Mrs. Mildred Meek, Mrs. Gail Miller and Mrs. Ruth Polson. Games were played and several prizes were awarded.

Mrs. Meek gave a recitation entitled "The Small One" by Charles Tazewell, and Mrs.

Linda Bristol presided at the piano as the group sang familiar Christmas carols.

Those attending were Mesdames Mignon Abernethy, Evelyn Ackerman, Elizabeth Briggs, Lorraine Decatur, Judy Drew, Marie Dotzauer, Anita Eltimoff, Carma Froemling, Phillis Hanold, Lois Hassler, Clara Huber, Dorothy Kerch, Loretta Kerkovich, Linda Mathis, Billie Schuler, Margaret Smith, Jo Ann Terrell, Jean Van Metre and Lois Winter.

An afternoon meeting on Jan. 8 will be held at the home of Mrs. Dorothy Kerch.

Pageant, review at St. Peter's

A Christmas pageant and a book review comprised the program last week at the annual Yuletide meeting of the Evening Guild in the Fellowship Hall of St. Peter Evangelical United Church of Christ.

Those presenting the pageant were Betty Bartels, Helene Kettledin, Annabelle Patton, Leona Wintermeyer, Laura Taylor, Thelma Markgraf, Olive Kalbert, Pauline Schank and Ruth Bartels.

Mrs. Ruth Huxel reviewed a book, entitled "The Camerons."

Festive decorations in keeping with the Christmas season were used on the tables and throughout the hall. Gifts were exchanged and Christmas carols were sung by the group. Refreshments were served by hostesses, Mrs. Helen Todd, Mrs. Mildred Fehling and Mrs. Pat Malottki, to 60 members and guests.

Guests for the evening were guild members from Concordia Lutheran Church of Granite City and St. John United Church of Christ in Collinsville.

The next St. Peter's Guild meeting will be a work night on Jan. 7.

Maryville Yule program Dec. 20

A Christmas program for Maryville students will take place at a school assembly at 9 a.m. Dec. 20, Jack Mulaich, principal, reported at a meeting of the PTA executive board last week. Parents are being invited to attend the Yule program, he said.

Mrs. Sue Gasparovic, president, read a request from the Salvation Army which is seeking volunteer bell ringers for the pre-holiday season. She also reported results of a fund-raising barbecue event.

Report from the Granite City Area PTA Council meeting were given by Mrs. Barbara Trester and Mrs. Ann Kinney. The next council session is set for Jan. 24 at Emerson School, they said.

Upcoming events at Maryville School, discussed by the PTA board members, include a talent show at the Jan. 22 PTA meeting; fund-raising projects on Feb. 23 for a bowling party and a bake sale on April 11.

At the PTA's April 23 session a spring concert will be performed and a dance for parents is being planned for May 4. Details and a date for the annual school picnic will be reviewed at the board's Jan. 8 session, Mrs. Gasparovic said.

Others present at the meeting were Barbara Haddock, Sandy Kozak, Ruth Ann Hubbard, Betty Crum, Carol Bridick, Diane Sexton and Julie Gates.

MRS. KACHUBA RETURNS FROM GUANTANAMO BAY
Mrs. Helen Kachuba, 1300 Granite Ave., had returned home after spending three weeks visiting with her son and daughter-in-law, GMG and Mrs. Richard Kachuba and sons, at Guantanamo Bay, Cuba. Kachuba is an instructor at the U.S. Navy training center at Guantanamo.

MR. AND MRS. ANTHONY BUTKOVICH, who were married in a candlelight ceremony at Nameoki United Presbyterian Church. She is the former Miss Joan Lee Britton, a daughter of Mr. and Mrs. F. Leroy Britton, 3318 Wilshire Drive.

Joan Lee Britton and Anthony Butkovich wed

Nameoki, United Presbyterian Church, 1700 Pontoon Road, was the scene of the wedding on Nov. 24 of Miss Joan Lee Britton, a daughter of Mr. and Mrs. F. Leroy Britton, 3318 Wilshire Drive, and Anthony John Butkovich, son of Mr. and Mrs. Walter Butkovich, 2061 Thirteenth St.

Lighting the candles for the double ring ceremony at 7:30 p.m. were the bride's brothers, Mark and Tim Britton.

The Rev. Don F. Pierson officiated at the candlelight service. Angelos Hamilos presided at the organ and accompanied Mrs. Gail Mueller as she sang "More" and the Lord's Prayer. Bouquet of pom poms, mums and baby breath adorned the altar.

Escorted down the white carpeted aisle by her father, the former Miss Britton wore a crepe gown designed in an Empire style.

Venise lace etched with tiny seed pearls edged the scoop neckline, encircled the high rise waistline and formed the tightly fitted cuffs of the long tapered sleeves.

The A-line skirt featured a front panel of lace appliques and appliques bordered the hemline and were repeated on the chapel train.

She wore a crown headpiece

TO-WED. Thomas Hamilton and Beverly Gehling, who will be married on Dec. 29 at McKendree College. Wedding plans are being announced by their parents, Mr. and Mrs. Walter Gehling, 2250 Benton St., and Mrs. Margaret Hamilton of Rantoul, Ill.

Beverly Gehling to marry

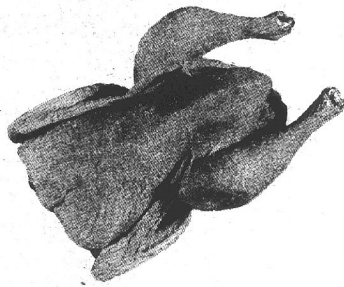

The wedding plans of Miss Beverly Gehling and Thomas Hamilton are being announced by their parents, Mr. and Mrs. Walter Gehling, 2250 Benton St., and Mrs. Margaret W. Hamilton of Rantoul, Ill.

The couple will be married on Dec. 29 in Bothwell Chapel at McKendree College, Lebanon. Miss Gehling graduated in 1970 from St. Teresa Academy and attended McKendree

College for two years. She is now enrolled at Murray State University in Kentucky, studying in the special education field.

The prospective bridegroom was graduated from Rantoul Township High School in 1969 and from Parkland College at Champaign in 1971. He will graduate this month from McKendree College, where he is majoring in sociology.

Coffee break series resumes

Robert E. Rockwell, instructor in the Department of Elementary Education at Southern Illinois University at Edwardsville and director of the Day Care Center, will be the featured speaker Wednesday at the "Coffee Break for Parent Education."

The coffee break series is being sponsored by St. Peter School for the Young Years at St. Peter United Church of Christ, 21st Street and Cleveland Boulevard.

The program will begin at 10

GRANITE CITY PRESS-RECORD
Page 16 Mon., Dec. 10, 1973

a.m. and conclude at 11:30 a.m. with all parents of the community invited to attend. Along with coffee and cookies, a child care will be provided. There is no fee and no advanced registration is required.

This week's "Coffee Break" is the second in a new series of parent education programs designed by St. Peter School for the Young Years as a service to the community.

Mrs. Judy Werthe, director of the school, said throughout the year noted speakers on parent education, child guidance and parent-child relations will be scheduled. A previous program held in September was well attended, Mrs. Werthe said.

Professor Rockwell, a resident of Belleville, is a graduate of Illinois State University and Western Illinois

University. He has taught remedial reading in Quincy, as well as working as a speech therapist and teacher of the hard of hearing in that city.

He is a member of the Council of Exceptional Children, Phi Delta Kappa, National and Illinois Education Associations, Illinois Speech and Hearing Association and the American Educational Research Association.

The educator has chosen a topical subject for his presentation, Mrs. Werthe commented. Rockwell will speak on "Value of Play—Choosing Toys for Your Child."

Off street parking is provided in the church lot behind the main building, the director said.

GC homemakers party

Centerpieces of winter greens and poinsettia gave tables a festive appearance last evening for the annual Christmas party of the Granite City Unit, Madison County Homemakers Extension Association, at the Grand Cafe.

In keeping with the holiday season favors were yuletide corages and name tags were created with tiny green bells. Forty-nine members attended the party. Centerpieces later were awarded to Mesdames Frank Pare, Elmer Parks, Francis Cease and Joseph Mangiaracino and a prize donated by Mrs. F. G. Stephens was won by Mrs. Michael Skubish.

Carols were sung, a gift exchange was held and those observing birthdays in December were honored with cards and gifts, presented by

Mrs. Robert Hints, unit chairman.

Mrs. Stanley Owca served as chairman of the party, assisted by Mrs. William Schewe, Mrs. Peter Paeck and Mrs. Anthony Roman.

Plans were made to donate a Christmas food basket to a 90-year-old senior citizen, with Mrs. Rufus Ramsey preparing the gift. Mrs. Eugene Ozburn reported two baskets were delivered prior to Thanksgiving to needy families.

Mrs. Marshall Melroy announced this week is Myasthenia Gravis Week in Illinois. She distributed informational booklets on the crippling muscular disease.

The unit's next meeting will be at 12:30 p.m. Jan. 2 at Grace Baptist Church.

GC woman opens art gallery

The Attie Gallery, which is located in the loft of the newly opened Whistle Stop Country Store near Edwardsville is the undertaking of Granite City artist, Mary Schisler.

The Attie Gallery features paintings by Mrs. Schisler, a variety of subjects, including character studies, landscapes and still life.

Paintings, sculpture, pottery and woodcarving by other area artists also are offered, including works of Granite Cityans Andrew Fryntko, Edith Maxville, Jeanette Pinkston, and Cleve Whitaker. The Whistle Stop Country Store, located on Illinois Route 159 south of Edwardsville, at the Glen Carbon crossing, is a unique old-fashioned variety gift store, with handcrafted items a specialty. Grand opening of the store was held Dec. 1 and 2.

Mrs. Schisler studied in Chicago at the American Academy of Art and the Chicago Academy of Fine Arts and under direction of Kris Andres of Rockford, Ill., and Marilyn Bendell of Cortez, Fla. Additionally, she has studied special techniques in water-color and oils.

Geographic balance considered in slating decisions by county Democrats

Endorsement by the Madison County Democratic executive committee is not tantamount to election. But such organized backing is welcomed by many candidates, judging by the number who sought endorsement during interviews with a screening body last week.

Selection of Granite City Assessor Von Dee Cruse for Madison County clerk was among the more crucial decisions. A strong contender was Miss Evelyn Bowles of Edwardsville, chief deputy county clerk and the choice for the top office of retiring Clerk Eulalia Holz.

One wonders if geographic balance did not play a decisive role. While Miss Bowles was not chosen, another Edwardsville resident, Joe Lucco, a former coach and school administrator, was endorsed for the state representative post to be vacated by retiring Rep. Leland Kennedy.

With one coach on the slate, the screening body failed to pick Collinsville High School Coach Vergil Fletcher for superintendent of the Madison County educational service region.

The nod went to the acting superintendent, Harold E. "Gene" Briggs of Nameoki Township over both Fletcher and a Granite City school administrator, Vasil Eftimoff. Inclusion of Granite City Cruse on the ticket may have been a geographic factor considered in omitting Eftimoff, to avoid a preponderance of candidates from any one city.

With Collinsville's Fletcher not endorsed, the slating body voted in favor of another resident of Collinsville, James Chapman, for the party post of state central committee.

Formerly county recorder of deeds, Chapman was for many

Madison County should consolidate four 1974 ballots into two elections

The Madison County Board would be wise Dec. 19 to consolidate its February and April board primary and general balloting with the county-state primary March 19 and the general election Nov. 5.

Estimates are that county taxpayers could save \$50,000—\$25,000 in each of the two board elections.

Area wishes Gerald R. Ford success as the nation's new Vice President

Advancement of Gerald R. Ford to the office of Vice President of the United States is unusual in two respects.

The 40th to hold the office, he is the first to secure it through appointment by the President and confirmation by the House and Senate. And he was screened for the post almost as if he was certain to become President, with the current preliminary impeachment study very much in the minds of the

Yearly sessions boosting costs

(Springfield Scene) State Treasurer Alan J. Dixon has jumped on the "end the annual sessions" bandwagon. Dixon told 450 persons attending a tax assessment clinic that "the cost of government has increased in direct proportion to the number of days the legislature is in session."

Dixon also said the annual sessions have tripled the cost of government since the practice began five years ago.

Dixon is not the only one to criticize the annual sessions. Many legislators are also disgruntled by the annual sessions.

Rep. Michael F. McClain, Quincy Democrat, has introduced H. 2100 which would alter the privilege tax on mobile

homes. McClain's proposal would remove the current flat rate and substitute a scale of tax rates on the age of the mobile home.

Mobile homes less than 5 years old would be taxed at 10 cents per square foot, while any mobile homes 10 years old or older would be taxed at 8 cents per square foot.

Rep. Roscoe D. Cunningham, Lawrenceville Republican, has introduced H. 2084 to require insurance companies which publish financial statements as part of advertising to disclose the total amount of surplus as regards policyholders, consisting of capital and surplus paid in (including subordinated debentures), unassigned earned surplus and surplus appropriated for general contingencies.

Also, the amount of unassigned earned surplus of stock insurance companies available to pay dividends to stockholders.

Halt state abuse of taxpayers' money

To the Editor:
I am this date announcing my candidacy for state representative, Republican Party, from the 56th District.

Four reasons have prompted my filing for this office.

First, I believe there is an urgent need now, as never before, for concerned citizens to actively participate in the processes of our government.

Second, I firmly believe a strong two-party system is essential to good government.

Without a true choice in the election of our elected officials, a measure of our freedom is surely lost.

Third, I have become alarmed at the erosion of the state level, with no apparent

or effective efforts being made to curb waste, halt cost overruns on state projects, or conserve and protect the taxpayers' money.

Having worked closely with homeowners and taxpayers over the past 20 years, I am acutely aware of the increasing tax burden they bear. Vigorous and determined efforts are demanded to protect against the excess spending and abuse of the taxpayers' money.

Fourth, I believe much can be done through vigorous efforts at the state level to help our "east side" area move forward.

For too long, the area in which we live has suffered from a negative "east side" image. As the second most populous area in Illinois, we have much of which to be proud. With energetic effort and imaginative initiatives, much can be done to revitalize this image and stimulate the progress of our east side area. I believe I can contribute in this effort.

If given the opportunity to serve the people of our district, I pledge my determined and energetic efforts to represent the people's interests in a forthright, honest and effective manner.

Should suffer consequences of acts

To the Editor:
This is in reply to the woman, "Mitchell Morn," who wanted mothers of teenage daughters to support the abortion clinic (Forum letter, Asks Parents of Daughters to Speak, Dec. 3 issue).

I have teenage daughters and I say, sure, let's throw murder into their hands, too. Let them "have their cake and eat it, too."

Let's go ahead and teach them that it is okay to take the pleasures they want and, if trouble develops, just arrange for an abortion. It's so simple.

But just how do we tell them to account for this years from now when they finally come to their senses and look at their other children and think of the one they murdered?

If any boy or girl wants the privileges of an adult, let him or her also carry the responsibilities of an adult.

While abortion takes care of one aspect of "free love," how do we make it free to overcome venereal disease? For all we should arrange some way that they can do as they please and escape these things, too.

Now the way it is, all they have to do is do as they please. There is a way out for them—everything, they think.

Well, one's conscience is one thing one cannot get away from. Many a young person today is going to be haunted in years to come for a lot of their actions.

Rape? There are laws dealing with this—and treatment immediately to prevent these things.

The Lord giveth and the Lord taketh away—not an abortion clinic.

Many families want to adopt child

To the Editor:
I for one would like to take issue with the letter from the couple which appeared in the Forum this past Monday, "Who will care for unwanted children?"

They probably have never talked with childless couples

who have been on waiting lists for years wanting to adopt children nor have they done much reading on the subject.

But their last paragraph is a graphic illustration and example of the thinking of probationists.

They feel that the inconveniences of traffic jams and left turn signals take priority over human life.

To them, these aborted babies are "inconveniences" and so to be eliminated even easier than aldermen can vote to install left hand turn signals.

Several letters in this column offered the idea that our city has its priorities mixed. They would rather see our City Council worry about garbage collection, poor sewers and stop signs.

Can we seriously equate the beauty of the garbage collection? I will gladly wear the tag if, by old fashioned, we mean moral.

Has morality really become unpopular and outdated?

I agree that women have the right to choose to bear a child, but that decision must come before the fact, not after.

At the moment of conception there is another human life involved—human life, because human beings reproduce human beings.

Abortion cannot, must not be used as a contraceptive. Would we give a doctor permission to slit a child's throat four days, four years or four hours after birth?

What difference should it make if a child is killed four months before birth or four months after? It all concerns cessation of life.

Rape, incest and badly deformed fetuses are always used in arguments encouraging abortions. One fetus does not deserve more consideration than another.

Of the 3,500 reported raped in Minneapolis in one year, not one resulted in pregnancy. Would we use in arguments encouraging abortions. One fetus does not deserve more consideration than another.

This is not to say that it could not happen, but no moral argument could be put forth to justify destroying the absolutely innocent child.

I would rather see extremely harsh laws enforced to protect women from rapists.

I don't want to live in a country or a city where the strong refuse to protect the weak. I thought we Americans were more civilized than that.

Erosion of funding for university

(Statement by William Allen, member of the Southern Illinois University Board of Trustees and SIU system representative on the Illinois Board of Higher Education, during Dec. 4 BHE consideration of staff recommendations on proposed operating budgets for the fiscal year beginning next July 1.)

I thank Dr. Prince, Dr. West and his staff who spent time with us in their patient efforts to seek understanding of the budget recommendation which the board has been presented.

The Southern Illinois University system is pleased that the recommendation funds the continuing emergence and growth of Southern's health education programs in medicine, dentistry and nursing along with the new school of law.

The recommendation also recognizes the need for salary increases, improvements in the Southern libraries, and funds to provide certain basic equipment which we need in order to maintain accreditation of some professional and paraprofessional programs.

And the recommendation does provide some funding for new programs which are badly needed.

At the same time, though, the board and administration of SIU are not overjoyed at the prospects of living within a budget based on declining enrollment, cost per student and faculty productivity, since it will mean we must make some very painful cutbacks in a system which was on its way toward meeting the mandates of Master Plan Phase III.

In fact, this recommendation represents a kind of redefinition of Master Plan Phase III.

We recognize the very difficult position in which the BHE staff, this board, the governor and the General Assembly find themselves.

But even so, I cannot vote to approve this budget since a "yes" vote might be interpreted as Southern's agreement to such severe cutbacks. When the vote is taken, I hope that my vote is not read as a vote of no confidence in the BHE staff.

County can cut election costs

By JAMES H. DONNEWALD
Assistant Minority Leader
State Senate of Illinois

I encourage County Boards in the 84 Downstate counties with the township form of government to consolidate their special elections with the regular March primary and November general elections in order to save taxpayers millions of dollars.

The General Assembly passed a bill permitting counties to abandon their special February and April elections and consolidate them with the regular elections by adoption of an ordinance.

Madison County Board has already seriously discussing the possibility of consolidating their 1974 elections.

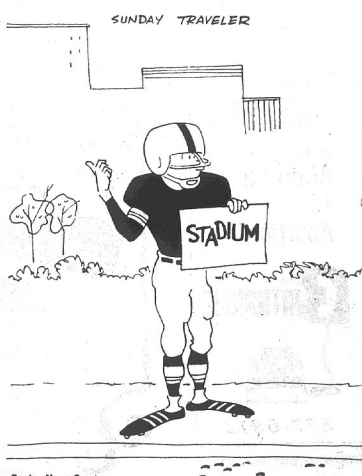

Peoria County officials estimate a savings of between \$125,000 and \$150,000 annually. The prediction for McLean County is a maximum of \$75,000, while the Adams County estimate is \$42,000 each year and a whopping one-half million dollars for DuPage County.

Democrats supported a bill which would have required all 84 counties to consolidate their elections. When the Republican majority refused to support it, we joined them in passing this permissive legislation.

We have too many elections as it is.

Consolidation not only will result in considerable savings of tax dollars, it will eliminate voter confusion caused by the multiplicity of elections. And, at the same time, it will encourage greater participation in the election process.

Consolidation would have to hold primaries rather than nominating caucuses after 1974; but next year, they have the

Video dental instruction

Two videotape showings of advanced education courses are being presented this month by the SIUE School of Dental Medicine.

Dr. Richard Coy, director of advanced educational programs at the dental school's Alton center, said the videotapes are presentations made by leading dental practitioners at national and state meetings. The tapes are made available to the dental school through the education branch of the U.S. Division of Dental Health.

"Electrosurgery in Daily Dental Practice" by Dr. Daniel Strong was shown Thursday.

"The misinformation, confusion, and apprehension surrounding use of electrosurgery were discussed and clarified, separating fact from fable," Dr. Coy said. "All the electrosurgical currents and the reasons for success and failure with the modality were demonstrated."

The second program this month at 1 p.m. Thursday, Dec. 13, will be "A Fresh Approach to Prosthodontic Problems" by Dr. Earl Pound.

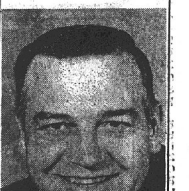

"Dr. Pound will present his method of managing immediate denture cases," Dr. Coy said. "He demonstrates with a patient the advantages of using training partial dentures for pre-denture education and then the use of the short flange full denture. The final extractions are performed and the denture inserted."

Other videotape programs will be presented in January and February. All programs begin at 1 p.m. on Thursdays and last two to three hours. Persons interested in obtaining a complete schedule may contact Dr. Coy at the Center for Professional Advancement.

PRIMARY ELECTION TO BE HELD FEBRUARY 12, 1974

Special Venice election due

A special election to fill the office of mayor of Venice will be held within the next six months, it was reported today as city officials scheduled action at a regular meeting Tuesday night to declare the office vacant.

At the same time, the council is expected to appoint First Ward Alderman Lloyd Patterson as acting mayor due to the death on Nov. 30 of Dr. John E. Lee, Venice mayor for the past 17 years.

William "Mike" Eberhardt, city clerk, said adoption of an

GRANITE CITY PRESS-RECORD
Page 22 Mon., Dec. 10, 1973

ordinance will be necessary to declare a vacancy in the office, and that a subsequent ordinance would change Patterson's status from that of acting mayor to that of acting mayor.

Harry Hartman, city attorney, said the law requires that an election be held within six months after a city office is declared vacant. The election call would be made by the council.

There appeared little likelihood today that action to call an election will be taken before 30 days—out of honor to the late Dr. Lee who was stricken by a cerebral

hemorrhage on Nov. 18 and remained in a coma until his death.

Patterson was named temporary mayor by council action Nov. 20, the day before Dr. Lee's death.

Girl, 3, hurt

A three-year-old girl, the daughter of Mrs. Violet Bryant, 2903 Roosevelt Ave., was injured when she slipped and struck by a car in the moving car of Ruth Snyder, 2835 Denver St., in front of the child's home at 5:35 p.m. Wednesday.

The girl was taken to St. Elizabeth Hospital where she was treated for abrasions to her left knee and left lower leg. She was released.

UPROOTED WEEPING WILLOW in the back yard of Clarence Lahr, 3316 Johnson Road, was discovered at 8 p.m. Tuesday. Lahr, inspecting the damage, said a neighbor informed him the tree had fallen over. According to Lahr, the high winds last week apparently loosened the 50-foot tree. (Press-Record Photo)

Eulogies for Lee

The late Venice Mayor John E. Lee Jr. was eulogized by Madison Mayor Mike Sasyk at last week's monthly prayer breakfast and by Contractor Gene H. Sternberg Sr. at last week's December dinner of the Tri-City Area Chamber of Commerce board.

Sasyk recalled Dr. Lee as a "hard worker" who conferred with the city controller, police chief and other city officials daily from 6 to 7 a.m.; met with McKinley Bridge officers from 7 to 8 a.m.; performed his banking duties from 8 a.m. to noon; treated dental patients from noon to 7 p.m.; and then pushed his endurance to the fullest to attend meetings on improvement of governmental services several evenings each week.

"He only asked those he supported politically to run well-managed, efficient offices. He was a great leader who never set himself above the people in carrying out his duties to the city," Mayor Sasyk said. Sternberg offered prayer and said, "This community has lost a good friend."

He described Mayor Lee as a "tireless worker" who demonstrated outstanding qualities of character in his professional, public and private life.

System offers saving in fuel

A study by Honeywell, Inc., a major producer of home temperature controls, shows that the Chronotherm Clock Thermostat can make a significant contribution to energy conservation, according to George Albarson of Central Systems, Inc., a local heating sales and service contractor.

The energy savings is made by an automatic night setback of home temperatures while the family sleeps.

The Chronotherm is the only product available that automatically reduces temperature at night, and increases temperature before the family awakens in the morning, Albarson said.

The study indicates that home owners in the Granite City area can reduce fuel consumption—and home heating bills—by as much as 12 per cent with a regular 10-degree night setback.

The study is based on a 75-degree setting during the day and a night setback period of eight hours from 10 p.m. to 6 a.m. A night setting of 70 degrees can result in an 8 per cent cut in fuel consumption over an entire heating season.

A night setting of 65 degrees increases savings to 12 per cent. A lower daytime setting and a longer setback period would improve results even more.

Woman charged with theft

Dorothy Cripps, 802 Kirkpatrick Homes, an employee of Grant City in Nameok Village Shopping Center, was arrested at the store at 9:35 a.m. Wednesday and charged with theft.

Store security personnel reported they have been investigating the thefts of items worth \$100 from the store during the past six weeks. They reported an employee had been wrapping items which had not been paid for and giving them to a woman posing as a customer. The woman then would leave the store with the wrapped items.

Items allegedly taken included tape recordings, records, cosmetics, purses, clothing, a coffee pot and an optical lamp.

FOUR HURT IN CRASH

Four persons were injured in a two-car accident at East 25th and Kate streets last week. Hurt were Thomas Gabriel, 18, of 2533 Hodges Ave., driver of one car, and Tim Forry, 17, of 2800 Lincoln Ave., a passenger in his car, and Paul Pashea, 18, of 2515 Sheridan Ave., driver of the other car, and Dale Dillard, 17, of 2501 Lindall Blvd., passenger in Pashea's auto. All suffered minor injuries.

Fuel conserved by Ill. National Guard

The fuel shortage has prompted an increase in energy conservation measures of the Illinois National Guard. Maj. Gen. Harold R. Patton, adjutant general of Illinois, reports the increased conservation measures will affect Illinois National Guard units to the extent of a 25 to 30 per cent reduction in use of gasoline, diesel and aircraft fuels. Such fuel savings are in line with active Army and Air Force policies.

"We have had an energy conservation program in the

Illinois National Guard for some time and this is now being greatly strengthened," Gen. Patton said. "As part of the Department of Defense policy on fuel conservation, initiated in 1972, there has been a significant reduction in fuel consumption by the Illinois National Guard."

He said the military is not among the big consumers of petroleum, using less than four per cent of the current U.S. consumption in the United States.

BURGLARY IS FOILED

A burglary alarm apparently frightened a would-be burglar from Moppe's Tavern, 2807 Edwardsville Road, last week. A board was thrown through an upstairs window and entry was gained through the window. The alarm was triggered when a door to the basement was opened. Although a silent alarm, the burglar is believed to have seen the electronic tape and to have run from the building. Nothing was taken, it was reported.

WE'VE MOVED. Listen.

■ It's the talk of the Quad Cities. WGNU's popular Party Line program is an everyday feature now, with Granite City Steel sponsoring the first hour from 3 to 4 p.m.

Party Line is a rapid, steady stream of what's happening: Regular reports from City Hall, the Police Department, the high schools, the hospital, the county court house and, of course, the steel mill. Plus local and national news, sports and markets, an occasional special guest, and audience jacksots. If that's not enough, in between there's a chance for you — the listener — to call and say whatever's on your mind.

Party Line, the perfect way to end the afternoon — informed. A very public service of Granite City Steel. Weekdays 3 to 4 p.m. on WGNU/AM, 920 on the dial.

THIRTY-ONE YEARS perfect attendance at Kiwanis meetings is the record of Melvin L. Gillie, center, receiving a certificate and perfect attendance pin from E. Ray Grisham, president of the Breakfast Kiwanis Club at the group's first ladies night Thursday at Charlie's Restaurant. At left is Kiwanis Lt. Gov. Roy Green, a special guest of the club.

Tax study goals set

The Taxation Committee of the Tri-Cities Area Chamber of Commerce, chaired by Howard Schuenke and consisting of Carl E. Mathias, Ralph Morris, Hughes Blake, Carlton O'Brien, Thomas Majewski and Dr. Felicia Koch, met at the Chamber of Commerce board room at noon Friday to establish priorities.

Goals include preparing a directory of taxing bodies, election dates and budget submission and approval dates. A five-year plan form was adopted in the belief that some taxing bodies may wish to look ahead four or five years to determine what their monetary needs will be.

The areas the committee will concentrate on will be Granite City School District No. 9, Madison School District No. 12, Venice School District No. 3, the City of Granite City and Madison County.

The Taxation Committee will receive information from Liaison Committee members who attend City Council and School Board meetings, it was noted.

Committee members voiced accord with a local Chamber of Commerce plan to work with school administrations in setting up an "education economic program" in high schools that will "tell the story of industry and the role it plays in this community."

Concerts by South singers

Benefit Christmas concerts will be presented Wednesday and Thursday nights by the advanced mixed chorus and madrigal students of Granite City High School-South. The concerts will begin at 8 p.m. each day in the school auditorium.

Tickets will cost 50 cents and children 6 or under will be admitted free. Proceeds will be given to the Community Closet program of Church Women United. Tickets are available from members of Church Women United or mixed or madrigal students at GCHS-S.

The two choruses will present the following program: "Do You Hear What I Hear?" Regney and Shane; "Silver Bells," Livingston and Evans; "It's Beginning to Look Like Christmas," Wilson; "We Three Kings of Orient Are," Hopkins; "Hark, the Herald Angels Sing," Mendelssohn; "Three Songs for Christmas," Grundman.

"Sleigh Ride," Anderson; "A Glad Noel," Ehret; "O Holy Night," Adam; "For Unto Us a Child Is Born," from the

Messiah by Handel; "Joy to the World," Handel; "The Gift Card," Pfitzsch; "How Far is it to Bethlehem?" Shaw; "Hallelujah Chorus" from the Messiah by Handel.

"Let it Snow! Let it Snow! Let it Snow," Styne; "White Christmas," Berlin; "Medley Christmas," Toward; "Santa Claus is Coming to Town," and "Twas the Night Before Christmas," Moore; "Let There be Peace on Earth," Miller and Jackson.

Santa Claus will appear at both performances.

Kiwanis honors Gillie for attendance record

Melvin L. Gillie, manager of Grant City, was awarded a 31-year perfect Kiwanis attendance pin at the Breakfast Kiwanis Club's first ladies night held Thursday at Charlie's Restaurant.

Kiwanian Gillie, who is past president of the Evening Kiwanis club in Granite City before organizing the Breakfast Club, joined the international service club in Ogden, Utah.

Gillie has served as president of the Downtown Cleveland Ohio club, and is a past lieutenant-governor in both Ohio and Illinois.

He was chairman of the Kiwanis International Convention in 1965.

Lt. Gov. and Mrs. Roy Green of the Kiwanis Eastern Illinois District, were special guests of the club.

The members were reminded that they are to be "bellringers" for the Salvation Army tree of lights campaign between 11 a.m. and 7 p.m. Saturday.

The club will hold its regular breakfast meeting next Thursday at Charlie's Restaurant and Capt. Robert Nunn of the Granite City fire department will discuss Christmas safety, Robert A. Harris, program chairman, announced.

Kiwanian Norman Hall of the Illinois Power Co. was introduced as the speaker of the evening. Hall's topic was the current energy crisis.

Hall said he feels people should turn their thermostats down to 68 degrees both day and night keeping the temperature constant. This would amount to about a four-degree drop for the average house and a 12 per cent savings in fuel consumption, he said.

He advised against moving thermostats up and down unless a person will be gone for more than 24 hours. Then it should be turned down to 55 degrees.

The fluctuation in temperature causes an unnecessary amount of fuel consumption.

Hall concluded by saying "Think of the end results. You turn the temperature down to 68, you cut your lights from 250 watts down to 50 watts; you play dreamy music on a stereo at 50 watts rather than color television at 450 to 500 watts. You have created a snug, romantic and dreamy atmosphere right in your own home."

Optimists host seven guests

Seven guests attended the Granite City Optimist Club fellowship meeting Thursday evening in the Officer's Club of the Granite City Army Installation.

Guests were Donald Shafer, Thomas Hundley, Christ and Carl Paschoff, Robert Karandjeff, S. T. "Peie" Nasir, and Bruce Powers.

The club normally meets at noon Thursday in the YMCA but has decided to occasionally conduct an evening fellowship meeting which will enable some unable to attend at noon to meet with the club.

Optimist Maurice Dailey formed 31 different words in three minutes from the phrase "Granite City Optimist Club" in a game played under the direction of G. H. Sternberg, membership chairman.

The Optimists will meet at the 'Y' at noon Thursday.

Alumni dinner

The business alumni of SIUE will hold their annual winter dinner meeting Friday at Riedel's, Edwardsville. A social hour will begin at 6:30 p.m. with a buffet dinner at 7:15 p.m. Friends of the business alumni are invited.

The program will include a film of 1973 Clio award-winning television commercials. Tom Quinlan, creative director for Frank Block & Associates of St. Louis, will comment on the winners and give a talk on the television industry.

Reservations can be made by writing Gary Ingoldby, treasurer to the SIUE business alumni, 12193 Haldane Ct., Bridgeton, Mo. 63044. Cost of the buffet is \$5.50 a person.

Uniwah Scouts plan growth

The Uniwah (Quad-Cities) Boy Scout District membership goal for 1974 is at least 1,982 boys by next December, according to Dr. Thomas Layloff, district chairman.

"We have some of the finest Scout leaders, best activities and greatest camping program to be found in the United States here, and we want to give the experience of a good Scouting program to as many boys as we have the manpower and monies to provide," Dr. Layloff said.

He announced that the district would meet at Tempel's Smorgasbord, 1535 Johnson Road, for dinner Thursday. A business meeting will be held beginning at 7:30 p.m.

Explorers help needy families

Christmas caroling between 6 p.m. and 9 p.m. Sunday, Dec. 16 is planned by members of Explorer Post 16-4 for needy Madison families at Christmas.

The group will contact the Salvation Army for names of people to help.

Members are being asked to bring canned goods and toys to their meeting Wednesday at the Madison Police station and the money earned by singing will be used to buy turkeys.

Persons wishing to help the Explorers with the project may contact Bill Wiedner at 876-4408, or take donations to the Madison Police Department.

THEFT FROM RAILROAD
An undetermined quantity of potatoes, in 20 pound sacks, was stolen from a railroad car on the Tri-City Grocery Co. warehouse siding here, it was reported at 12:45 a.m. Friday.

In Memoriam 33

**In Loving Memory of
CHESTER LAMBERT**
In our home he is fondly
remembered.
Sweet memories cling to his
name;
Those who loved him in life
sincerely,
Still love him in death just the
same.
Wife, Daughter
and Family 33 12 10

**In Loving Memory of
NICK KOSICK**
who passed away December 9,
1969.
This day comes with sad regret.
It brings back a day we still
never forget.
You left us without saying good
bye,
But our memories of you will
never die.
How hard it was to part with
you.
There's many a lonely hear-
tache too.
And many a hidden tear.
But always a beautiful memory
of one we hold so dear.
How much we miss you yet,
The years may wipe out many
things,
But the happy days never:
That we all had together.
Sadly missed by
Wife, Daughter and Family,
All Whol Loved You 33 12 10

NICHOLAS VUKOVICH
In loving memory, who
departed this life December 10,
1973.
They say time heals all sorrow
And helps us to forget.
But time so far has only proved
How much we miss you yet,
Gone and forgotten by some you
may be,
But dear to our memory you
ever will be.
Sadly missed by

Ten years have passed since
that sad day
When one we loved was called
away;
God took him home - it was His
will.
Within our hearts he liveth still.
